from virtual museums that transport visitors to distant historical eras to augmented reality installations that merge digital art with physical spaces the book uncovers a myriad of innovative applications within the fields of design media fashion gaming and more

the battle of britain has held an enchanted place in british popular history and memory throughout the modern era its transition from history to heritage since 1965 confirms that the 1940 narrative shaped by the state has been sustained by historians the media popular culture and through non governmental heritage sites often with financing from the national lottery heritage lottery fund garry campion evaluates the battle s revered place in british society and its influence on national identity considering its historiography and revisionism the postwar lives of the few their leaders and memorialization its depictions on screen and in commercial products the raf museum s battle of britain hall third sector heritage attractions and finally fighter airfields including raf hawkinge as a case study a follow up to campion s the battle of britain 1945 1965 palgrave 2015 this book offers an engaging accessible study of the battle s afterlives in scholarship memorialization and popular culture

the airfix company was formed in 1939 and since it produced its first plastic kit in 1949 grew to be the united kingdom s leading model kit

manufacturer several generations of young and young at heart modellers have made airfix kits and despite turbulent times in the 1970s and 1980s when the company changed ownership several times in the twenty first century it goes from strength to strength under the wing of hornby hobbies the 1960s and early 1970s might be called the vintage years of airfix when some of their best and most popular kits were produced for ten years up to 1974 renowned artist roy cross produced some of the stunning paintings that appear on the boxes of airfix kits of the era roy set the standard for such artwork to the extent that many are still used today four decades later roy cross s earlier book the vintage years of airfix box art contained a host of the paintings he prepared for airfix but the unearthing of many more images in old airfix files has enabled this entirely fresh look at roy s work to be presented coinciding with the seventy fifth anniversary of the first airfix kit thus the remainder of roy s ten years work for airfix is reproduced here this new compilation features many rare illustrations as well as studies and sketches that were not accepted at the time and is beautifully illustrated with 180 colour artworks

text and photographs give instructions for assembling a variety of model airplanes

this is a definitive guide to the battlefields castles museums fortifications ships aircraft and memorials that are an enduring testament to britain s military history

military public relations endeavors ultimately seek to build a sense of common interests and aims and so generally foster good relations with the people they defend and there in ensure a stable society the armed forces when engaging on any public relations exercise have traditionally sought to provide an entertaining spectacle for years this has been typified by parades bands mock battles drill displays and other relevant feats of military prowess which have captured the imagination of the public and inspired potential recruits the 20th century brought a new dimension to the field of warfare and subsequently added a new strand to the fabric of public ceremony and displays by the armed forces that new dimension was the arrival of powered flight display flying began within five years of the wright brothers making their milestone first flight the first events staged in britain which centered on demonstrations by flying machines were organized by the town councils of blackpool and doncaster and were held within days of each other in october 1909 1920 was the year that the first of the famed and legendary hendon air pageants was staged and this is where military air shows traditionally began the hendon displays were organized and staged by the still fledgling royal air force and it was probably due in no small part to the prestige and spectacle of this fresh new dimension of military pageantry together with other like events held at raf airfields through the next two decades that the very existence of the raf was saved from the threat of abolition the history of the raf s commitment one that compares almost uniquely with other air forces toward display flying through the years after world war ii has now come of age this account of their record in this often overlooked but then again traditional field of military customs describes and illustrates the major public raf events since 1920
