after his master thesis of the secret societies network as outlined in volume i the confessions of an illuminati narrative of leo lyon zagami is projected to the reality of today including the occult maneuvers behind the new world order we need to wake up beyond our current belief systems because the controllers of the new world order are moving fast using the prophecies to their advantage to implement their evil plan by 2020 when world war iii will finally break loose the author demonstrates that the hierarchy of power emanating from rome and jerusalem with the jesuits and the zionist s united by a secret pact since the second vatican council are in cahoots working towards the creation of a world government there is also china playing a new

role in the nwo with the far reaching tentacles of chinese freemasonry manipulating economic hit men and disinformation artists while russia is building their christian orthodox alliance to apparently oppose the western antichrist in this unprecedented scenario we also have the involvement of the big media moguls like ted turner and silvio berlusconi and their role in manipulating perceptions the author discusses further aspects of the satanic infiltration of freemasonry pointing out on the generational aspect the many ways of defending yourself psychically against black magicians but also against the many sects operating in the illuminati network

in english for the first time a guide to the true secret structure of the illuminati and their invisible network author leo lyon zagami uses the illuminati s internal documents and reveals confidential and top secret events his book contends that the presence of numerous illuminati brotherhoods and secret societies just as those inside the most prestigious u s universities such as yale or harvard have always been guides to the occult from the ordo templi orientis oto s infiltration of freemasonry to the real priory of sion this book exposes the hidden structure of the new world order and the occult practices of the various groups involved with it including their connections to the intelligence community and the infamous ur lodges

beneath the vatican the darkest secrets are hidden just when you thought you learned all there was to know in the first two volumes of leo lyon zagami s confessions the revelations are deeper and even more twisted in volume iii zagami pushes the boundaries once again with this unique and personal journey into the mysteries of the secretive world of the illuminati in the third book of his confessions series a variety of topics of interest are explored that are always verified with documentation zagami gives an account of humankind s function within the grand celestial battle between the internal controllers of earth and the external knowledge of a new generation of conspiracy researchers this is not a work of fiction but is instead an indispensable tool when used as a manual to finally understand topics never before disclosed to the public from the truth on the mythical knights templars and their role in events leading up to today to the jesuits and their vatican espionage game to the hunt for the holy grail in the heart of the vatican zagami shocks once again showing to the world for the first time the most credible candidates of the grail mystery with proven testimony of a now declared saint of the catholic church the illuminati exist and they create religions and influence humanity with spiritual ideology and religious practices since the dawn of time they have aided individuals such as aleister crowley and gerald gardner craft the modern witchcraft revival which hides behind a pagan image a satanic reality in tune with todays new age movement zagami also continues what he calls conspiracy reality a way to

fight back the system of lies and deceit responsible for the rise of satanism in the vatican showing in the process the magical practices of the illuminati

examining the flaws of mainstream society this collection of conspiracy theory esoteric knowledge and fringe subjects seeks to present solutions to current social economic and environmental world issues this book encourages the exploration and integration of modern science with ancient wisdom which will lead modern society towards advancement and enlightenment topics discussed include religious mythos government manipulation technological advances and utopia

examining the flaws of mainstream society this collection of conspiracy theory esoteric knowledge and fringe subjects seeks to present solutions to current social economic and environmental world issues this book encourages the exploration and integration of modern science with ancient wisdom which will lead modern society towards advancement and enlightenment topics discussed include religious mythos government manipulation technological advances and potentially a utopia for humanity

this completely reworked second edition of modern esoteric includes new information over a dozen additional images and up to date revisions winner of the best book design 2014 modern esoteric examines the flaws in modern history and looks at how conspiracy theories esoteric knowledge and fringe subjects can be used to help change the dead end course humanity seems to be following the lifeology section explores the long and storied alternative narrative of life on this planet in the control section author brad olsen examines how big brother is here in the form of the new world order and how they keep the knowledge of humankind s true nature from the mass population finally the thrive section looks at all the ways humans are evolving to achieve their full potential

the anthology decapitation and sacrifice is the result of an interdisciplinary project on the phenomenon of the decapitated head of saint john the baptist in its exegetical context in the material culture of the middle ages and the renaissance and finally in more recent approaches regarding medium studies several specialists and scholars from these fields were invited to share their most recent conclusions thus contributing to our understanding of one of the most peculiar events artifacts and phenomena in west the rise and fall of a male head as subject of martyrdom devotion and artistic expression what emerges from these collected essays is a nuanced understanding of the beheading and presentation of saint john we begin

with the biblical account already finding multiple layers of exegetical meaning with a focus on John as a Christ figure as the narrative is adapted into other textual and visual forms its symbolism is transformed deepened or extended in new ways relating to medieval and early modern spirituality morality performance and representation what John's disembodied head symbolically embodies shifts as we move from one medium to another and from one geographic region to another and within those broader categories meaningful distinctions can be made between differences in details such as the presence or absence of a platter the use of specific terminology the contents of inscriptions the characterization of Herodias and her daughter specifics of stage directions even the parting of John's beard and the portrayal of his eyes as open or closed or half closed to name but a few the close analysis of these and other details that the contributors to this volume provide tell us both about the symbolic potential of John's beheading and about how the textual and visual objects studied here functioned in medieval and early modern communities

three individuals share a dream of a burning man unaware of what this portends and of what may happen if they all come together
