these samples were taken as part of the research for the preparation of a guide to exchequer equity records and proceedings 1649 1841 a public record office handbook as the term sample suggests each of the four listings that follows covers only a small fraction of any single class of exchequer equity records in the period 1649 1841 roughly 90 000 equity suits were begun in the court nonetheless the size of the listings makes it more appropriate to make them available as a supplement to the handbook rather than as part of it
