Are these initiatives truly driven by ethical motivations or are they primarily aimed at enhancing the company's reputation? Wicks encourages a shift from mere window dressing to genuine ethical integration within the core business strategy. Expert Perspectives: Professor R. Edward Freeman, renowned for his work on stakeholder theory, has commended Wicks' contributions. Andrew Wicks has significantly advanced the field of business ethics by showing how to connect ethical theory to the practical challenges faced by business leaders. This highlights the practical applicability of Wicks' work, moving beyond purely theoretical discussions to provide actionable insights.
