globalization

international business law and the legal environment provides business students with a  
strong understanding of the legal principles that govern doing business internationally not  
merely about compliance this book emphasizes how to use the law to create value and  
competitive advantage dimatteo s transactional approach walks students through key  
business transactions from import and export contracts and finance to countertrade  
dispute resolution licensing and more giving them both context and demonstrating real  
world application this new edition also includes new material on comparative contract and  
sales law european private law joint ventures and collaborative alliances a new part on  
foreign direct investment that includes a chapter on emerging markets new chapters on  
privacy law and on environmental concerns greater coverage of the world trade  
organization case highlights and court opinions that feature edited court transcripts which  
expose students to actual legal reasoning and an understanding of the underlying legal  
principles these decisions are drawn from a broad range of countries offering a truly  
international look at the subject students of business law and international business  
courses will find dimatteo s clear writing style easy to follow a companion web site  
includes an instructor s manual powerpoints and other tools to provide additional support

for students and instructors
