what has happened to the lost art of memorising poetry why do we no longer feel that it is necessary to know the most enduring beautiful poems in the english language by heart this title explains how we can overcome the problem by using a memory system that becomes easier the more frequently it is practised

what has happened to the lost art of memorising poems why do we no longer feel that it is necessary to know the most enduring beautiful poems in the english language by heart in his introduction ted hughes explains how we can overcome the problem by using a memory

system that becomes easier the more frequently it is practised the collected 101 poems are both personal favourites and particularly well suited to the method hughes demonstrates spanning four centuries ranging from shakespeare and keats through to thomas hardy and seamus heaney by heart offers the reader a mental gymnasium in which the memory can be exercised and trained in the most pleasurable way some poems will be more of a challenge than others but all will be treasured once they have become part of the memory bank this edition is part of a series of anthologies edited by poets such as don paterson and simon armitage and features an attractive new design to complement an anthology of classic poems

throughout life we store information collected from experiences and try in some way to make sense of it poetry is a very powerful tool by which people can share whether it be about happiness sadness loneliness or just plain life poets write about it in this book the artist simply wants to share something that touched her life in some way

i have compiled 101 poems of the deepest emotions i have felt throughout my life from the pain of depression heartbreak watching someone live with addiction and losing loved ones to the joy of true love and the innocent heart of a child this is my attempt to understand the things that are happening all around me i may not always find the answer or like the outcome of every situation but poetry has been my outlet the key to my sanity if my words let someone see things in a new light and help them overcome something they thought they couldn't live through then putting my life on display will all be worth it

alove is patient kind doesn't act unbecomingly is not provoked doesn't take into account a wrong suffered believes all things hopes all things endures all things love never fails a 1 corinthians 13 4 5 7 8 the most precious possession that ever comes to a man in this world is a woman's heart josiah g holland the best and most beautiful things in the world cannot be seen or even touched they must be felt with the heart a helen keller the love we give away is the only love we keep a elbert hubbard

this reader's guide charts the reception history of ted hughes poetry from his first to last published collection culminating in posthumous tributes and assessments of his lifetime achievement sandie byrne explores the criticism relating to key issues such as nature myth the laureateship and hughes relationship with sylvia plath

this book explores creative writing and its various relationships to education through a number of short evocative chapters written by key players in the field at times controversial the book presents issues ideas and pedagogic practices related to creative writing in and around education with a focus on higher education the volume aims to give the reader a sense of contemporary thinking and to provide some alternative points of view offering examples of how those involved feel about the relationship between creative writing and education many of the contributors play notable roles in national and international

organizations concerned with creative writing and education the book also includes a foreword by philip gross who won the 2009 ts eliot prize for poetry

this volume contains all of sanghrakshita s poems and six short stories it is prefaced by a foreword and two essays introducing the poems in different ways it also includes edited versions of two talks sangharakshita gave about specific poems and a sequence of conversations about his poetry that were recorded towards the end of his life

from tottel s miscellany 1557 to the last twentieth century oxford book of english verse 1999 anthologies have been a prime institution for the preservation and mediation of poetry the importance of anthologies for creating and re creating the canon of english poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in britain or elsewhere in the english speaking world this volume is the first publication to explore the largely unmapped field of poetry anthologies in britain essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web

this book analyzes the iconographic traditions of jeremiah and of melancholy to show how donne herbert and milton each fashions himself after the icons presented in rembrandt s jeremiah lamenting the destruction of jerusalem sluter s sculpture of jeremiah in the well of moses and michelangelo s fresco of jeremiah in the sistine chapel
