torrent locked away in a sterile building with nothing but the echoing thoughts in my head the sounds of orderlies footsteps are so eerily similar to the ones that haunted my childhood i tried to fix deluge to set us back on the path from which we started but i fucking failed my brother found his mate hail found his and i ve always had mine now he has another do i let that go or do i storm through their cheerful facade and claim squall andersson as my own squall i ve never felt this way having my heart ripped in two and each half belonging to a different person but at one time the whole thing belonged to him he s always been the moon that stands bright in my starless sky but tiny is the sun chasing away the night s lingering darkness i don t see a happy ending where we re all together not when he s so possessive do i bury half of my heart to keep her safe or do i stand still and let the crushing winds of torrent james test our strengths

in this the fourth edition of private international law and the internet professor dan svantesson provides a detailed and insightful account of what has emerged as the most crucial current issue in private international law that is how the internet affects and is

affected by the five fundamental questions when should a lawsuit be entertained by the courts which state s law should be applied when should a court that can entertain a lawsuit decline to do so how wide scope of jurisdiction should be afforded to a court with jurisdiction over a dispute and will a judgment rendered in one country be recognized and enforced in another professor svantesson identifies and investigates twelve characteristics of internet communication that are relevant to these questions and then proceeds with a detailed discussion of what is required of modern private international law rules focus is placed on several issues that have far reaching practical consequences in the internet context including the following cross border defamation cross border business contracts cross border consumer contracts and cross border intellectual property issues a wide survey of private international law solutions encompasses insightful and timely analyses of relevant laws adopted in a variety of jurisdictions including australia england hong kong sar the united states germany sweden and china as well as in a range of international instruments there is also a chapter on advances in geo identification technologies and their special value for legal practice the book concludes with two model international conventions one on cross border defamation and one on cross border contracts as well as a set of practical checklists to guide legal practitioners faced with cross border matters within the discussed fields professor svantesson s book brings together a wealth of research findings in the overlapping disciplines of law and technology that will be of particular utility to practitioners and academics working in this complex and rapidly changing field his thoughtful analysis of the interplay of the developing internet and private international law will also be of great value as will the tools he offers with which to anticipate the future private international law and the internet provides a remarkable stimulus to continue working towards globally acceptable private international law rules for communication via the internet

this is nick armbrister s first volume of poetry from his ten years of writing 1996 2006 it contains both old and new poems on several types of subject matter from life and love to goth and war the poems express his views and his creativity his love of gothic music aircraft the written word and weird girls inspire him and the end result is here he wrote his poetry while in a variety of moods volume 2 will follow in the future with more of his poetry nick has always been drawn to the weird and wonderful and his poetry constitutes his small addition to this the poems are simple and lasting and make a graphic and often startling impact that cuts like broken glass

the book integrates marketing concepts with the uniqueness of the pharmaceutical marketplace in a refreshingly simple direct and reader friendly style comprehensive in its coverage and versatile in its treatment the book assesses the pharmaceutical industry in the indian context in an international perspective the focus of the book is clearly and sharply on practice application and hands on experience providing experiential insights are the seventy one case studies discussed throughout the book showing how some companies have successfully applied the enduring innovative marketing concepts and reaped rich dividends and some others have paid dearly for not exploiting the dormant

opportunities lying at their doorsteps

describes the early life of charles lindberg leading up to his history making transatlantic flight in 1927

john wesley and george whitefield are remembered as founders of methodism one of the most influential movements in the history of modern christianity characterized by open air and itinerant preaching eighteenth century methodism was a divisive phenomenon which attracted a torrent of printed opposition especially from anglican clergymen yet most of these opponents have been virtually forgotten anti methodism and theological controversy in eighteenth century england is the first large scale examination of the theological ideas of early anti methodist authors by illuminating a very different perspective on methodism simon lewis provides a fundamental reappraisal of the eighteenth century church of england and its doctrinal priorities for anti methodist authors attacking wesley and whitefield was part of a wider defence of true religion which demonstrates the theological vitality of the much derided georgian church this book therefore places methodism firmly in its contemporary theological context as part of the church of england s continuing struggle to define itself theologically
