this set offers a comprehensive collection of papers on this significant discipline published in two parts with new introductions to the individual volumes by the editor this is an invaluable tool for any researcher in this area

Professor vs Campaigner Confirming Policy Politics in India is an illuminating treatise that explores the evolving interplay between scholarly ideals and pragmatic political strategies in the realm of Indian governance this profound work delves into the distinct yet interconnected worlds of academic theorists who advocate for policy rooted in rigorous research and political campaigners who emphasize the importance of populist approaches grounded in immediate practical needs through incisive case studies and analysis of contemporary policy discourse the book unveils how policy is forged not merely through academic insight but tempered by the urgency and complexity of political realities it thoughtfully navigates the delicate balance between intellectual aspiration and electoral demands illustrating how these forces though seemingly at odds must coexist to address India's unique socio-political challenges professor vs campaigner thus serves as a rich discourse on the nature of Indian policymaking providing readers with a discerning lens into how policies are shaped through a dynamic synthesis of high theory and political necessity this book stands as an essential contribution to understanding how governance and development in India are molded by the constant negotiation between lofty ideals and the pragmatism of lived experience

advanced practice nursing essential knowledge for the profession fifth edition is a core advanced practice text used in both master s level and dnp programs this text is centered around a compilation of existing chapters from a variety of high level jones bartlett learning works creating a comprehensive and well rounded resource for the advanced practice nursing student

in twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved the approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

since the first edition of public policy politics analysis and alternatives michael kraft and scott furlong have taken a different tack they want students to understand how and why policy analysis is used to assess policy alternatives not only to question the assumptions of policy analysts but also to recognize how analysis is used in support of political arguments to encourage critical and creative thinking on issues ranging from the federal deficit to health care reform to climate change the authors introduce and fully integrate an evaluative approach to policy the authors begin the fifth edition of public policy with a concise review of institutions policy actors and major theoretical models then they discuss the nature of policy analysis and its practice and show students how to employ evaluative criteria in six substantive policy areas the text arms students with the analytic tools they need to understand the motivations of policy actors both within and outside of government and to influence a complex yet comprehensible policy agenda

in human rights adjudication courts sometimes face issues that they lack the expertise or constitutional legitimacy to resolve one way of dealing with such issues is to defer or accord a margin of appreciation to the judgments of public authorities this raises two important questions what devices courts should use to exercise deference and how deference can be made more workable for judges and predictable for litigants combining in depth conceptual analysis with practice in a broad range of jurisdictions deference in human rights adjudication answers these questions it introduces six devices for deference namely the burden of proof standard of proof standard of review giving of weight choice of interpretation and choice of remedy analyzes how courts should choose amongst them and proposes techniques for rendering deference practicable the book has two distinctive features first it engages with the jurisprudence of six common law jurisdictions that apply a structured proportionality test in rights adjudication namely canada hong kong ireland israel new zealand and the united kingdom second it offers guidelines for judges who wish to apply its theoretical arguments as such deference in human rights adjudication will enable human rights adjudication to be more principled and in line with the rule of law and separation of powers insightful and pioneering this book will be an important reference for researchers teachers and students of constitutional theory comparative constitutional law and human rights law around the world it will also assist practitioners judges and policymakers who have to grapple with issues of deference in adjudication

this text provides an analysis of the key debates in public health discussing policy options and commenting on current initiatives in the field
