for centuries vienna had been the imperial residence and capital of the great multi lingual multi national habsburg empire and thus a magnet for the accumulation of power prestige wealth and beauty however it is self evident that not everyone could or should reside in the capital that many talented authors whether by choice or by chance lived outside that glamorous city in kafka s words far from the imperial sun at the outset of the twenty first century with technological advancements in transportation and communication with international publishing houses and chain bookstores with e mail and the internet for example is there any social political economic or professional advantage to residing in vienna or has it become irrelevant today where artists live are their life experiences notably different whether they reside in the capital or in any other city large or small are authors choices of language or themes influenced by their provincial backgrounds thus the idea of beyond

vienna is a compelling and timely topic this volume will attempt to address these questions while serving as an introduction to nine authors poets novelists and dramatists and their relationships to the capital xaver bayer alois brandstetter gloria kaiser christine lavant anna mitgutsch felix mitterer elisabeth reichart vladimir vertlib and friedrich ch zauner the contributors are respected scholars who were personally invited to join this project and who ultimately determined which authors would be included

reports and proceedings of the society are included in each volume

brazil s living museum race reform and tradition in bahia
