just about everyone is familiar with folk and fairy tales children learn about them from parents teachers and other adults while researchers study these tales at colleges and universities at the same time folk and fairy tales are inseparable from everyday life and popular culture movies music art and literature offer imaginative retellings and interpretations of fairy and folk tales but despite the pervasiveness of this folklore type most people have only a vague understanding of these tales this reference is a convenient introduction to folk and fairy tales for students and general readers written by a leading authority this handbook offers a broad examination of folk and fairy tales as a folklore type it looks at tales from around the world and from diverse cultures the volume defines and classifies folk and fairy tales and analyzes a number of examples it studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre the volume also includes a glossary and extensive list of works for further reading

slavic folklore has great cultural significance and international influence written for students and general readers this book offers a brief but thorough introduction to slavic folklore included are explanations of the different types of slavic folklore the role of slavic folklore in literature and popular culture and the state of criticism and scholarship on this field of interest the volume provides numerous examples and cites print and electronic sources for further reading the people of eastern europe have a long and rich cultural history central to that history are the folktales traditions and customs of the region some elements of slavic folklore such as vampire legends and easter eggs are well known while others are more obscure and when

the slavs came to america they brought much of their folklore to the new world where it continues to flourish today this book is a short but thorough introduction to slavic folklore written expressly for students and general readers it systematically overviews slavic folklore it discusses the many different types of folklore and summarizes scholarship and research on the subject it provides a wide range of texts and examples from the slavic folk tradition and explores the role of slavic folklore in literature and popular culture the volume cites numerous print and electronic sources and closes with a glossary and selected general bibliography literature students will enjoy learning about slavic tales and customs while students in social studies classes will learn more about the culture of eastern europe

a type of folklore myth is central to all cultures written by a leading authority and of use to high school students undergraduates and general readers this reference offers a convenient overview of the role of myth around the world the volume defines and classifies types of myth and provides examples from different cultural traditions it then overviews various approaches to studying myth this is followed by a look at myth in relation to its contexts such as religion politics and popular culture the volume closes with a bibliography of print and electronic resources and a glossary

excerpt from the handbook of folklore in 1884 and 1885 some discussion took place in the pages of the folklore journal in vols ii and iii on the definition of folklore and its aims and the result was that a strong feeling which had been gradually growing up unexpressed was at once shown to exist on the importance of the society issuing some sort of guide for collectors and workers on folklore some of the papers contributed to the journal were of use to collectors even in the form in which they there appeared and mr stewart lockhart had them translated into chinese and widely distributed in china with some good results at that time i had partly prepared an elementary introduction to the science of folklore and upon this becoming known to the council they passed the following resolution 12th january 1887 that mr gomme be requested to print his ms of the proposed handbook of folklore and that proofs of the several sections be sent to the members of the council for correction addition or revision about the publisher forgotten books publishes hundreds of thousands of rare and
