designing coffee shops and cafés for community brings together research theory and

practical applications for designing coffee shops and cafes as places to enhance community connections as people search for meaning and connection in their lives they often seek out places that root them in their community designers are responsible for creating these spaces and to do so well they need to understand the physical and social attributes that make such spaces successful addressing societal trends environment and behavior theories place attachment branding authenticity location layout and ambiance the book provides guidelines to help designers and operators create more welcoming third places places that are not home not work but those where we can relax in the company of others it includes eight case studies by authors from threecountries that ground the theories in real life third places its practical design guidelines cover location accessibility seating lighting sound and more written for students academics and designers this book discusses the value of coffee shops and cafés and guides readers through the ways to create places of belonging that bring people together

case study is an important pedagogical tool not only to facilitate classroom teaching but is also a research tool used widely in academia and industry every workplace situation calls for decision making and managerial skill while some situations are more complex and far reaching than the others all decisions are equally important for the businesses in the overall landscape on one hand strategic decisions call for sharp business acumen and experience on the other hand operational decisions call for tact and eye for detail businesses employ unique solutions to solve their problem which is often recorded as a case study these case studies are an effective tool to enhance learning it stimulates the students to integrate classroom learning with application orientation to solve real live problems the growth in case writers coupled with availability of good cases has made industry and academia to embrace case methods an initiative to support and encourage build indigenous case studies this book is a compilation of the cases presented at the management case conference organised by psg institute of management in 2021

i have seen many ups and downs in my life i have lost both my parents but then again i was fortunate enough to find a new family which gave me a ray of hope and a lifeline the book is about my life and how i used my corporate exposure in building an f b brand which is now worth 5 crore in revenue

the design of bars and cafes has played an important role in the development of architecture in the twentieth century this influence has been felt particularly strongly over the past thirty years in a time when these social spaces have contributed significantly to the rediscovery and reinvention of cities across europe and north america this volume presents and examines this significant urban architectural

production and discusses it against a background of the design of cafes and bars across the nineteenth and twentieth centuries major themes and developments are discussed and illustrated with case studies from the functionalist pre world war two architects in central europe representing modern society through the design of public spaces right up to the design of sophisticated bars and cafes as part of the recent urban renaissance of barcelona and paris in 1980s and london in the 90s

the viennese café was a key site of urban modernity around 1900 in the rapidly growing city it functioned simultaneously as home and workplace affording opportunities for both leisure and intellectual exchange this volume explores the nature and function of the coffeehouse in the social cultural and political world of fin de siècle vienna just as the café served as a creative meeting place within the city so this volume initiates conversations between different disciplines focusing on vienna at the beginning of the twentieth century contributions are drawn from the fields of social and cultural history literary studies jewish studies and art and architectural and design history a fresh perspective is also provided by a selection of comparative articles exploring coffeehouse culture elsewhere in eastern europe

knowledge café is a process for sharing information whether face to face or virtual this popular and practical knowledge management tool supports a culture where projects and innovation thrive the knowledge café is a mindset and environment for engaging discussing and exchanging knowledge within a group either face to face or virtually at the café participants can discuss hard to solve project issues or resolve a family or community crisis this metaphorical town square supports knowledge circulation and rejuvenation and increases its velocity making it a breeding ground for innovation the aha moments at one knowledge café can match the benefits of multiple conferences workshops and training put together when knowledge management km is part of an organization s culture performance improves collaboration increases and the competitive advantage accelerates no one can force knowledge transfer we must create the right environment where knowledge is freely shared rewarded and fun this book demonstrates why the knowledge café is such an effective km tool and shows how to design optimal café experiences and increase learning agility the premium on knowledge and agility has never been greater this book offers a technique for managing knowledge toward the greater good tips templates practical and relatable experiences case studies and examples of knowledge brokers creators and sharers across cultures are sprinkled throughout the book to show how the café interfaces with other km techniques and in different work and project spaces

in an era where global cities emerge as pivotal hubs for economic growth and cultural fusion this book presents an innovative approach to understanding and leveraging the
