he original 63 volumes set are now reduced to 9 volumes we have completed volumes 1 6 9 which are the new testament lord willing during 2023 2024 we will try to complete volumes 2 5 which are the old testament this volume was published between 1867 1874 in contrast to the extreme skeptical critical mode which came to characterize much of german scholarship in the 19th century lange represented a more traditional conservative and evangelical approach shared in common with men such as e w hengstenberg he was also a reformed minister and the commentaries reflect this combination of conservative criticism evangelical theology and homiletics in a way that is unique for each passage that is covered a consistent approach is adopted throughout after giving the text in translation along with textual notes as footnotes three different kinds of commentary are presented exegetical and critical doctrinal and ethical homiletical and practical this gives you three times the value for each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary for detailed analysis go to the exegetical critical notes for sermon ideas and pastoral insights select the

homiletical notes

this book is the first complete intellectual biography of hermann cohen 1842 1918 and the only work to cover all his major philosophical and jewish writings frederick c beiser pays special attention to all phases of cohen s intellectual development its breaks and its continuities throughout seven decades the guiding goal behind cohen s intellectual career he argues was the development of a radical rationalism one committed to defending the rights of unending enquiry and unlimited criticism cohen s philosophy was therefore an attempt to defend and revive the enlightenment belief in the authority of reason his critical idealism an attempt to justify this belief and to establish a purely rational worldview according to this interpretation cohen s thought is resolutely opposed to any form of irrationalism or mysticism because these would impose arbitrary and artificial limits on criticism and enquiry it is therefore critical of those interpretations which see cohen s philosophy as a species of proto existentialism rosenzweig or jewish mysticism adelman and köhnke hermann cohen an intellectual biography attempts to unify the two sides of cohen s thought his philosophy and his judaism maintaining that cohen s judaism was not a limit to his radical rationalism but a consistent development of it beiser contends that his religion was one of reason he concludes that most critical interpretations have failed to appreciate the philosophical depth and sophistication of his judaism a religion which committed the believer to the unending search for truth and the striving to achieve the cosmopolitan ideals of reason
