series summary the what every catholic should know series is intended for the average faithful catholic who wants to know more about catholic faith and culture the authors in this series take a panoramic approach to the topic of each book aimed at a non specialist but enthusiastic readership already published titles in this series include literature salvation mercy being catholic god and philosophy book summary the need for this book is perennial but it is especially acute today when both faith and reason are on life support in our culture which is increasingly hostile to both or at least to the classical or traditional forms of both in this culture it is essential that catholics and other christians know the intellectual weapons and strategies of the enemies of religious faith and the defensive and offensive intellectual weapons that defeat them philosophical arguments are needed they are weapons in the intellectual dimension of spiritual warfare a warfare which is just as real and just as much a matter of life or death as physical warfare just what is philosophy is there objective truth is self knowledge possible what is being what is man s relation to nature is it possible for human reason to know god if there is a god why is there evil what is happiness and how can we achieve it if you ve ever wondered about the answers to any of these questions this is the book for you these and dozens of other crucial questions are asked and answered in this easy to read book by one of the best known philosophers alive today every catholic should own one book on philosophy this is it

i ve been a philosopher for all my adult life and the three most profound books of philosophy that i have ever read are ecclesiastes job and song of songs these are the opening lines of kreeft s three philosophies of life he reflects that there are ultimately only three philosophies of life and each one is represented by one of these books of the bible life is vanity life is suffering life is love in these three books kreeft shows how we have dante s great epic the divine comedy played out from hell to purgatory to heaven but it is an epic played out in our hearts and lives here and now just as there is movement in dante s epic so there is movement in these books from ecclesiastes to job from job to song of songs love is the final answer to ecclesiastes quest the alternative to vanity and the true meaning of life finally kreeft sees in these books the epitome of theological virtues of faith hope and love and an essential summary of the spiritual history of the world

peter kreeft s socrates probes the contemporary values of success power and pleasure

joy we look for it long for it and spend our lives chasing it yet do we really know what it is is it a feeling a state of mind or a reward for success do we know where to find it the more we seek it the more it eludes us yet joy is real joy writes philosopher peter kreeft is a mystery it is bigger than we are joy s secret however is that it cannot be reached or found but only given true joy is god himself who giving himself takes us outside ourselves across valleys of loss and mountains of triumph this lucid witty reflection on the true nature of joy convinces us page after page that while sorrow is inevitable joy is very very near at hand it s scandalously simple kreeft reveals there s no method you just do it to do joy we must let go of all fake happiness all false gods we must return over and over to the one true joy who is the way the truth and the life drawing from the wisdom of c s lewis and saint thomas aquinas this instant classic by self proclaimed curmudgeon peter kreeft walks us through the long beautiful task

of surrendering to deep joy the chief work of any life worth living

i ve given thousands of lectures around the country to engaged thoughtful curious university and church audiences and have always made it a practice to allow for as many questions as possible here are the most interesting ones i ve been asked and the answers i gave

peter kreeft offers the lively dialog of two catholics who explore the basics of the christian faith including repentance baptism salvation good works the bible and the church

the popular christian apologist kreeft tackles many of the tough questions of our day concerning christianity in a series of imaginative dialogues sal the seeker and chris the christian deal with the profound mysteries of the gospel the result is a book that is both engaging and profound a book that leads readers to initial faith or to deeper faith the stakes in these dialogues are high christianity is god s marriage proposal to the soul says kreeft and the answer must be yes or no we can evade the claims of jesus christ for a while but death brings evasion to an end it is wiser to look at christianity honestly now yes or no shows the truth of jesus promise that those who sincerely seek the truth shall find it it is a road map for those who are honestly seeking the truth and a source of greater faith for those how have already found god it presents the full challenge of the gospel in a way modern men and women can understand

in 2019 peter kreeft published socrates children a four volume series on the hundred greatest philosophers of all time spanning from ancient greece to contemporary germany but he made a terrible mistake he somehow left out women and with this he overlooked the greatest mind of them all he forgot her a mysterious housewife from a desert village because he had forgotten what philosophy means philosophy is not the cultivation of cleverness kreeft explains or the sophistications of scholarship or the analysis of analysis or the refutation of refutations or the deconstruction of deconstructions no philosophy is a romance a love affair the love of wisdom this book is a one of a kind study on mary of nazareth the mother of jesus if jesus christ is wisdom incarnate and if mary loved him more than anyone else ever did then it holds that mary is the greatest philosopher the greatest wisdom lover with precision and humor kreeft not only unpacks the thought and spirit of mary as we know her through scripture and church doctrine but offers a heartfelt crash course in the basics of philosophy methodology epistemology logic metaphysics cosmology ethics politics aesthetics and more all through the lens of the mother of god fans of kreeft will find here another fine example of his characteristic freshness creativity depth and readability but above all those who are curious about the mother of jesus whether they are new to christian faith or simply hoping to discover it anew will likely find themselves swept up in the tide of mary s wise love for god

the widely read author and philosopher peter kreeft presents a unique book about the important beliefs that catholics and protestants share in common inspired by christ s prayer for unity in the gospel of john and saint john paul ii s encyclical ut unum sint kreeft demonstrates that christian reunification is possible while he acknowledges that there are still significant differences between catholics and protestants he emphasizes that they agree on the single most important issue justification the style of this book is modeled on pascal

solomon and jesus short answers and single points to ponder rather than long strings of argument the writing is direct simple and confrontational but vertically rather than horizontally by directing arrows not against each other protestant or catholic but against our own hearts and minds and wills the purpose of this book writes kreeft is to be like an australian sheepdog herding and hectoring christ s separated sheep back to his face for that is the only way they can ever return back to each other

few figures have impacted the rising generation of catholics more than peter kreeft the widely respected philosophy professor and prolific bestselling author of over 80 books through his writings and lectures kreeft has shaped the minds and hearts of thousands of young apologists evangelists teachers parents and scholars this collection of eighteen essays mainly by millennial catholic leaders and converts to the catholic faith celebrates kreeft s significant legacy and impact his most important books and the many ways he has imparted to others those two seminal gifts wisdom and wonder among the eighteen contributors to this book are brandon vogt trent horn tyler blanski dr douglas beaumont jonmarc grodi jackie angel matthew warner rachel bulman fr blake britton and others

life in the end has only one tragedy not to have been a saint léon bloy the ever popular and prolific peter kreeft says that the most important question he has written about is how one becomes holy or to put it another way how one becomes a saint this question is central to all the great religions kreeft demonstrates for striving toward holiness moving toward perfect love is the whole purpose of life kreeft admits that he is only a beginner on the climb to holiness and it is to novices like him that he has written this engaging and encouraging book using the insights and experiences of saints and great spiritual writers throughout history kreeft shows what holiness is and how it can be achieved he especially draws upon the spiritual classic abandonment to divine providence by jean pierre de caussade s j the core of caussade s timeless gem is that god reveals himself to all of us through the daily events of our lives the surest way toward spiritual growth therefore is by perceiving and accepting the merciful will of god in every situation kreeft stresses the simplicity of his approach to holiness which focuses mainly on the virtue of love sanctity is love he asserts and only that can give us what we all long for deep and lasting joy

most parents have no trouble telling their children how to dress drive study or shave but struggle to talk with them about how best to live about real love faith integrity values true enrichment and success in the tradition of tuesdays with morrie catholic philosopher peter kreeft shares with us the wisdom that he has compiled for his children as his best gift to them readable and browsable these heart to heart chats present priceless truths to live by in a casual yet compelling way

god s love is the subject of peter kreeft s imaginative and thoughtful book a revised and updated version of his book knowing the truth of god s love with unusual clarity kreeft points out that the man or woman who begins to glimpse the god who is creator redeemer and lover of our souls will never be the same he describes scripture as god s love story and then tells why divine love is the answer to our deepest problems and the fulfillment of our deepest desires posing the hard questions about love that rankle the heart peter kreeft never settles

for easy answers he exposes today's superficial attitudes about love to lead people to a deeper understanding of what it means to be loved by God addressing these issues and many more

an examination of the writings of J.R.R. Tolkien as a defense of the literary philosophical political and religious foundations of Western society half t p

Peter Kreeft observes that our world is full of billions of normal lives which have touched by apparently pointless and random suffering he then records the results of his own wrestling match with God as he struggles to make sense out of this pain

reasonable concise witty and wise Peter Kreeft and Ronald K Tacelli have written an informative and valuable guidebook for anyone looking for answers to questions of faith and reason topics include faith and reason the existence of God God's nature how we know God creation and evolution providence and free will miracles the problem of evil the Bible's historical reliability the divinity of Christ the resurrection life after death heaven and hell salvation Christianity and other religions objective truth whether you are asking the questions yourself or want to respond to others who are here is the resource you have been waiting for

my title explains itself but it's misleading there are more than 40 reasons in fact there are at least ten to the 82nd power which I am told is the number of atoms in the universe and that's just in ordinary matter which makes up only 4.9% of the universe the rest being dark matter and dark energy each of my reasons is an independent point so I have not organized this book by a succession of chapters or headings after all most readers only remember a few big ideas or separate points after reading a book I've never heard anyone say oh that was a good continuous process of logically ordered argumentation but I've often heard people say oh that was a good point which takes me back to my main point why are you a Catholic is a good question a good question deserves a good answer here are forty of mine

today's hottest issues urban crime school choice family values congressional term limits and more are examined explained and resolved by the nation's leading advocates of the conservative agenda

Getting the books **Catholic Christianity A Complete Catechism Of Catholic Beliefs Based On The Catechism Of The Catholic Church By Peter Kreeft** now is not type of inspiring means. You could not single-handedly going past book heap or library or borrowing from your associates to
