this book focuses on queer people and their encounters with international law traversing a wide range of topics from trans discrimination and conversion therapy to sadomasochism and abolitionism this book asks questions about the impossibility of freedom and equality for queer communities in the world and the role that different areas of international law have to play in such a pursuit it considers how queer lives and bodies are rendered legible or illegible to the law through how we define concepts such as gender identity or private life it also reflects on whether legal activism focused on lgbtiqa rights can ever reflect the insights of queer theory the book engages with new issues in international law such as recent contestation over the meaning of gender in international human rights law and international criminal law it also showcases the diversity of approaches to queering international law that are emerging while some chapters offer a critique of international law's violent and exclusionary tendencies others re-invest in international law as a tool in the struggle for queer liberation by seeking to re-imagine it in queer directions the questions addressed in this book are wide-ranging and approached differently by the authors however all centre on the complex relationship between international law queer theory and queer lives and what the future holds for these encounters going forward this collection of queer encounters with international law will be invaluable to scholars of international law human rights and international relations with an interest in critical approaches to these areas as well as to researchers activists and practitioners working in cultural gender and sexuality studies

keywords for travel writing studies draws on the notion of the keyword as initially elaborated by raymond williams in his seminal 1976 text keywords a vocabulary of culture and society to present 100 concepts central to the study of travel writing as a literary form each entry in the volume is around 1 000 words the style more essayistic than encyclopaedic with contributors reflecting on their chosen keyword from a variety of disciplinary perspectives the emphasis on travelogues and other cultural representations of mobility drawn from a range of national and linguistic traditions ensures that the volume has a comparative dimension the aim is to give an overview of each term in its historical and theoretical complexity providing readers with a clear sense of how the selected words are essential to a critical understanding of travel writing each entry is complemented by an annotated bibliography of five essential items suggesting further reading

a trailblazing exploration of the political stakes of curiosity curiosity is political who is curious when and how reflects the social values and power structures of a given society in curiosity and power perry zurn explores the political philosophy of curiosity staking the groundbreaking claim that it is a social force the heartbeat of political resistance and a critical factor in social justice he argues that the very scaffolding of curiosity is the product of political architectures and exploring these values and architectures is crucial if we are to better understand and more ethically navigate the struggle over inquiry in an unequal world curiosity and power explores curiosity through the lens of political philosophy weaving in nietzsche foucault and derrida in doing so and the experience of political marginalization demonstrating that curiosity is implicated equally in the maintenance of societies and in their transformation curiosity plays as central a role in establishing social institutions and fields of inquiry as it does in their deconstruction and in building new forms of political community understanding curiosity is critical to understanding politics and understanding politics is critical to understanding curiosity drawing not only on philosophy and political theory but also on feminist theory race theory disability studies and trans studies curiosity and power tracks curiosity in the structures of political marginalization and resistance from the civil rights movement to building better social

relationships curiosity and power insists that the power of curiosity be recognized and engaged responsibly

brueggemann s assault upon this long standing rhetorical conceit is both erudite and personal she writes both as a scholar and as a hard of hearing woman in this broadly based study she presents a profound analysis and understanding of rhetorical tradition s descendent disciplines that continue to limit deaf people such as audiology and speech language pathology
