the alps as professor bergier shows in this selection of his work should not be considered an impassable barrier nor an isolated region but rather as an integral part of the history of europe the lowlanders typical view of the mountains as fearful heights to be crossed and the image of those who lived there as existing in a delicate balance with nature are part only of the story these articles are particularly concerned with transalpine traffic and the different routes it took in response to changing circumstances in the lands to south and north and with the exploitation and use of mountain resources a number aim also to identify the particularities of the mountain way of life and its social and political organisation

L histoire moderne couvre trois siècles très complexes durant lesquels la lente transformation des économies et des sociétés est accompagnée de ruptures politiques et religieuses brutales cet ouvrage présente les grandes lignes de l histoire démographique économique et sociale domaines particulièrement bien étudiés par les modernistes depuis plusieurs décennies décrit les principales mutations culturelles et religieuses dont la connaissance a été largement renouvelée ces dernières années souligne les articulations essentielles de l histoire politique d une période qui est à la fois celle de la consolidation des états et de leur confrontation

what is literature challenges anyone who writes as if literature could be extricated from history or society but sartre does more than indict he offers a definitive statement about the phenomenology of reading and he goes on to provide a dashing example of how to write a history of literature that takes ideology and institutions into account
