the number 1 leader book helps you tap into your self leadership personal power inner wisdom higher power a leader as well as discover your own gifts of intuition areas you need to work through and grow as well as parts of yourself that are not visible yet become the number one leader by starting with leading yourself through exercises and content that will help you integrate the leadership of your whole system as well as of teams and groups discover more about our work with leadership on leadershiphub se

use this helpful book to learn about the leadership tools to fuel success grow your team and become the visionary you were meant to be true leadership isn t a matter of having a certain job or title in fact being chosen for a position is only the first of the five levels every effective leader achieves to become more than the boss people follow only because they are required to you have to master the ability to invest in people and inspire them to grow further in your role you must achieve results and build a team that produces you need to help people to develop their skills to become leaders in their own right and if you have the skill and dedication you can reach the pinnacle of leadership where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others the 5 levels of leadership are 1 position people follow because they have to 2 permission people follow because they want to 3 production people follow because of what you have done for the organization 4 people development people follow because of what

you have done for them personally 5 pinnacle people follow because of who you are and what you represent through humor in depth insight and examples internationally recognized leadership expert john c maxwell describes each of these stages of leadership he shows you how to master each level and rise up to the next to become a more influential respected and successful leader

biblical leadership takes the best of evangelical scholarship to make the leadership lessons of scripture tangible for today s readers all contributors are biblical scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein this volume walks through the sections of the bible gleaning insights from each biblical writer every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a christlike impact

near the end of the 20th century the leadership concept radically evolved away from the traditional concept of accomplishing work through others unfortunately too many professionals unconsciously still have faulty traditional assumptions that can get them their teams and their organizations in trouble the author has researched the evolution of leadership and summarizes seven contemporary principles twenty six underlying leadership beliefs and nine crucial practices of 21st century leadership while too many leadership books focus on qualities depaul explains specific behaviors for practicing leadership the second edition includes new research about leadership and leadership development with the pandemic organizations have had to rely more on effective leadership to build high performing teams often at a distance training departments have had to radically update how they develop employees at all levels and executive coaches have transitioned to virtual client support with all these environmental changes as well as new social pressures on organizations to embrace diversity equity and inclusion organizations need to change how they lead and avoid allowing their culture to develop by chance

now with an all new chapter on followership adopted at more than 1600 institutions in 89 countries and translated into 13 different languages this market leading text successfully combines an academically robust account of the major theories and models of leadership with an accessible style and special emphasis on how leadership theory can inform leadership practice peter g northouse uses a consistent structure for each chapter allowing students to easily compare and contrast the various theories case studies and questionnaires provide students with practical examples and opportunities to deepen their personal understanding of their own leadership style leadership theory and practice eighth edition provides readers with a user friendly account of a wide range of leadership research in a clear concise and interesting manner free poster 6 emerging leadership approaches a complete teaching learning package interactive ebook with interactive leadership assessments includes access to interactive leadership assessments sage premium video multimedia tools and much more save when you bundle the interactive ebook with the new edition order using bundle isbn 978 1 5443 2644 3 learn more sage premium video featuring peter northouse included in the interactive ebook sage premium video tools and resources boost comprehension and bolster analysis learn more sage coursepacks free easily import our quality instructor and student resource content into your school s learning management system lms and save time learn more sage edge free online resources for students that make learning easier see how your students benefit bundle with introduction to leadership concepts and practice fourth edition and save bundle isbn 978 1 5443 3017 4
