EXPERTLEVEL FAQs

- 1 How did the concept of popular sovereignty as embodied in the KansasNebraska Act exacerbate sectional tensions? Popular sovereignty allowing territories to decide on slavery through popular vote led to violent clashes in Kansas as pro and antislavery factions fought for control demonstrating the deepseated division over the issue
- 2 To what extent did the economic differences between the North and the South contribute to the outbreak of the Civil War? The Norths industrial economy contrasted sharply with the Souths agrarian slavebased economy This difference created fundamental conflicts over tariffs infrastructure development and the very nature of labor making compromise increasingly difficult
- 3 Beyond slavery what other factors contributed to secession? States rights fear of federal overreach and differing interpretations of the Constitution all played significant roles The South felt its way of life and its sovereignty were threatened by the increasingly powerful federal government
- 4 How did the role of the Supreme Court particularly in the Dred Scott decision influence the path to war? The Dred Scott decision declaring Black people not citizens and upholding the legality of slavery in all territories further inflamed sectional tensions and undermined the efforts of those who sought to restrict the expansion of slavery
- 5 What were the limitations of President Buchanans attempts to prevent secession? Buchanans weak leadership his perceived proSouthern leanings and his unwillingness to forcefully confront secessionist movements ultimately emboldened Southern states and failed to prevent the outbreak of the Civil War His inaction is widely
