a great philosopher once said trying to understand women is like trying to smell the color 9 but the fact is men can understand women to their great benefit all they need is the right teacher and arguably there is no better teacher than john gottman phd a world renowned relationships researcher and author of the bestselling 7 principles of making marriage work his new book written with wife julie gottman a clinical psychologist and doug abrams and

rachel carlton abrams md is based on 40 years of scientific study much of it gleaned from the gottman s popular couple s workshops and the love lab at the university of washington it s written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair the man s guide to women offers the science based answers to the question what do women really want in a man the book explains the hallmarks of manhood that most women find attractive and helps men hone those skills to be the man she desires

the problem with most of the advice men get about relationships is that it is both stupid and wrong it s stupid because it pretends we can stop being men it s wrong because it insists we stop being men you can be a man and be successful at a relationship if you have against all hope and fate found a woman you want to keep in your life through legal and socially acceptable means this book will give you advice and strategies that go a long way to let her know she is important without requiring you to sacrifice being a man we re guys we like being guys and there is nothing wrong with that it is however time to stop acting like a whiny 12 year old boy because and think about it do you really want to be with a woman who is willing to or wants to be with a whiny 12 year old boy the 1st edition gave you a great foundation the 2nd edition expands on this with 15 new chapters covering everything from asking permission don t to selfishness do to when helping isn t helping oh and there are even chapters about that greener grass and the benefits of friends intriguing eh none of this means we have to grow up it just means we have to man up there is a difference and this book will help you with that difference through simple and straightforward strategies and plans men it s time to step up and be a real man it s time to learn the art of the compliment 2nd edition style
