## The Anatomy of a Check Please Review

Imagine your script as a complex clock mechanism Each cog character plot point dialogue exchange must interlock perfectly for the clock to run smoothly A single misplaced gear can bring the whole thing to a grinding halt Your check please process involves meticulously examining each gear

- 1 The Structure Shuffle** Does your plot arc rise and fall convincingly Are there pacing issues Does the exposition feel clunky or does it subtly reveal character and context Remember Chekhovs gun if you introduce a loaded pistol in Act One it must fire by Act Three Every element should serve a purpose contributing to the overall narrative momentum A rambling meandering plot is like a poorly planned road trip its exhausting for the audience and the playwright Anecdote I once wrote a play with a beautifully crafted Act One only to find Act Two collapsing under the weight of unnecessary subplots The check please process ruthlessly exposed this flaw The solution Mercilessly cutting streamlining and refocusing on the core conflict
- 2 Character CheckUp** Are your characters believable and relatable Do they possess distinct voices motivations and flaws Avoid stereotypical portrayals instead aim for complexity and depth Think of each character as a multifaceted jewel revealing different facets as the play unfolds A onedimensional character is like a bland dish it lacks flavor 2 and leaves the audience unmoved Metaphor Characters should be like onions layered with complexities that gradually reveal themselves throughout the play leaving the audience wanting more
- 3 Dialogue Deep Dive** Does your dialogue sound natural and authentic Does it reveal character and advance the plot Avoid overly expository dialogue instead let the action and subtext speak volumes Remember less is often more Clichd dialogue is like a stale piece of bread it lacks substance and will leave your audience yawning
- 4 Theme Time** What is the underlying message of your play Is it clear consistent and resonant A

welldefined theme acts as the emotional anchor tying together all the disparate elements of your narrative A play without a strong theme is like a ship without a rudder adrift and directionless

### 5 The Emotional Earthquake

Does your play evoke the intended emotions in the audience Does it leave them pondering questioning or moved The ultimate goal is to create a visceral emotional experience for your audience leaving them with a lasting impression A play that fails to emotionally connect is like a silent movie without subtitles frustrating and ultimately unsatisfying
