this is a study guide on chinua achebe s famous novel things fall apart i decided to publish it after noting that an earlier and shorter online version was popular among students and teachers across the world

since the emergence of things fall apart in 1958 chinua achebe has come to be regarded by many as the godfather of modern african writing over 150 full length studies of his work have been published together with many hundreds of scholarly articles this reader s guide enables students to navigate the rich and bewildering field of achebe criticism setting out the key areas of critical debate the most influential alternative approaches to his work and the controversies that have so often surrounded it the guide examines achebe s key novels with the main focus on things fall apart and also discusses his less well known short fiction including discussion of important nigerian scholarship that is often inaccessible this is an invaluable introduction to the work of one of africa s most important and popular writers

chinua achebe and the igbo african world between fiction fact and historical representation explores chinua achebe s literary works and how they communicated the igbo african world to readers engaging in the politics of representation achebe sought to demystify deterministic views of race and cultural ethnocentrism while his books and commentaries have been very influential in shaping a unique and multifaceted view of the african world some scholars have challenged achebe s representations of historical reality

through in depth analyses of his writing contributors examine the interpretations achebe imposed on african culture and history in his texts the chapters cover achebe s engagement with critical issues like historical representation gender relations and indigenous political institutions in a changing society throughout contributors present new ways for understanding achebe s literary works and show how his work draws from african historical reality and identity while challenging western epistemological hegemony

the publication of chinua achebe s *things fall apart* 1958 is heralded as the inaugural moment of modern african fiction and the book remains the most widely read african novel of all time translated into dozens of languages it has sold more than twelve million copies and has become a canonical reading in schools the world over while *things fall apart* is neither the first african novel to be published in the west nor necessarily the most critically valued its iconic status has surpassed even that of its author until now in the sixtieth anniversary year of its publication there has not been an updated history that moves beyond the book s commonly discussed contexts and themes in the accessible and concise *a short history of chinua achebe s things fall apart* terri ochiagha provides that history asking new questions and bringing to wider attention unfamiliar but crucial elements of the *things fall apart* story these include new insights into questions of canonicity and into literary historiographical and precolonial aesthetic influences she also assesses adaptations and appropriations not just in films but in theater hip hop and popular literary genres such as onitsha market literature

in *things fall apart* chinua achebe articulates and dramatizes a unique and peculiar kind of rhetoric a rhetoric that emphasizes that man and not language is the site for social interaction the oracle and the bull are synthesized metamorphosed laced and condensed to form an alchemy which produces a cohesive communal community as the end result this african rhetoric displays a language that is innocent unlike the western european rhetoric where language dramatizes multiple voices this critical text focuses on achebe s rhetoric from the aristotelian style

unlock the more straightforward side of *things fall apart* with this concise and insightful summary and analysis this engaging summary presents an analysis of *things fall apart* by chinua achebe which centres on the great warrior and champion wrestler okonkwo as he deals with the challenges resulting from disagreements in his clan the arrival of white missionaries in his village and the mounting tension between tradition and modernity the engaging narrative provides a compelling immersive portrait of igbo life in achebe s native nigeria and a thoughtful exploration of the impact of colonialism and of themes such as masculinity honour pride and disobedience chinua achebe was a nigerian writer

who sought to use his novels short stories essays and poetry to examine the struggles facing his country and expand popular conceptions of africa and its people he is widely considered to be the founding father of modern african literature find out everything you need to know about things fall apart in a fraction of the time this in depth and informative reading guide brings you a complete plot summary character studies key themes and symbols questions for further reflection why choose brightsummaries com available in print and digital format our publications are designed to accompany you on your reading journey the clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time see the very best of literature in a whole new light with brightsummaries com
