it has been my happy privilege to read the manuscript of bruce corbin s new book the tabernacle in the wilderness this gifted writer who has thrilled thousands with his unusual prophetic messages has burned out another valuable contribution in the field of christian literature i predict that the reading of this book will bless multitudes of serious minded bible students a few years ago bruce corbin was stricken with illness and blindness which threatened to end his ministry thousands of friends including myself prayed that the lord would spare him and restore his sight god heard and answered and his work has continued after reading the manuscript of this book i am convinced that the heavenly father spared my friend that he might add this crowning achievement of his ministry i know that all who read these chapters will find them to be chapters of blessing in these pages the tabernacle comes to life it lives and breathes a message of god s love for men everything connected with this ancient unfolding of god s plan of salvation and place of worship every piece of furnishing and all instructions concerning it present the living christ to the understanding and inspire the adoration of the reader this book is a signal accomplishment possibly only because of many

years of diligent study of the book of books my friend has encompassed in this book a richness of material many authors have expanded into five or six volumes i believe that thousands will feel indebted to this former foreign missionary for this simple concise unfolding of the character and ministry of christ as revealed by god to israel in their wilderness wanderings after reading these illuminating chapters one may understand why jesus in astonishment exclaimed to nicodemus art thou a master of israel and knowest not these things john 3 10 it is my fervent prayer that god will spare brother corbin for many years of added service and in the realization of the blessings which have come to those who have been helped by his writings already he has much treasure stored where neither moth nor rust doth corrupt matthew 6 20 and i am sure that this book will constitute another jewel in the heavenly crown
