peter smith explores the history beliefs and practices of the baha i faith

its history and teaching this book is a breath of fresh air there are millions of adherents to the bahai
faith mr miller provides insight and primary sources giving the reader information about the history
of the baha i faith where the official and authorized baha i histories are sanitized and revised mr miller
who lived for years in iran and fluent in parsi provides access to the westerner into events occurring
during the early years of this world religion the reader learns about the initial prophetic voices of the
bab and baha u llah and the followers that founded the bahai faith after their deaths the author explains
the transformational shifts and unbelievable history of the baha is why did the early writings appear to
be create a society or philosophy and later suddenly the community was touted as a world religion why
are there are 7 baha i sects each exodus occurring when internal power struggles resulted in a few
achieving greater control why do baha is work so hard to control their memberships contacts and
reading material why do baha is shun those who leave considering anyone not fully supportive of the
baha i religion spiritual poison after reading this book it should be clear to the reader due to the
historical accuracy of the book s facts and the author s position as a protestant missionary to an islamic

country not all readers will be satisfied some will be offended those most likely the adherents who don't want the truth to come to light some will be offended because the author was a protestant missionary nevertheless any serious student of world religions will be grateful to have his contributions on record to the history of the baha is

a valuable and relevant insight into the youngest world religion the youngest of the world religions and the second most widespread after christianity the baha i faith is well known for its belief in the oneness of all religions in this clear readable and informative guide momen provides a vibrant introduction to all aspects of this fast expanding faith which now has over 5.5 million adherents from its teachings on the spiritual development of the individual to the belief in the need for world peace momen's comprehensive study gives anyone interested in the contemporary religious landscape an authoritative insight into this 150 year old tradition whose spiritual and social teachings are so much in tune with the concerns of today

explore the history teachings structure and community life of the world wide baha i community what may well be the most diverse organized body of people on earth through this revised and updated comprehensive introduction 2002 named by the encyclopedia britannica as a book that has made significant contributions to the knowledge and understanding of religious thought the baha i faith covers the most recent developments in a faith that in just over 150 years has grown to become the second most wide spread of the independent world religions

founded by bahá'u'lláh in iran in the 19th century the bahá'í faith is one of the youngest of the world's major religions though it has over 5 million followers worldwide it is still little understood outside of its own community the bahá'í faith a guide for the perplexed explores the utopian vision of the bahá'í faith including its principles for personal spiritual transformation and for the construction of spiritualized marriages families bahá'í communities and ultimately a spiritual world civilization aimed at students seeking a thorough understanding of this increasingly studied religion this book is the ideal companion to studying and understanding the bahá'í faith its teachings and the history of its development

the baha i community of iran is the country's largest non muslim religious minority this collection of essays presents a comprehensive study of the social and historical development of the baha i community and its role in shaping modern iran central to this study is the pioneering character of the baha i community in the late 19th and early 20th century with chapters examining the role of women in the baha i community the impact of baha i run schools on iranian society baha i contributions to public health initiatives and the influence of baha i thought and the actions of individual baha is on the constitutional revolution of 1906 1911 conversion to the baha i faith is another important theme as contributors investigate the phenomenon of large scale conversion to the baha i faith from the jewish and zoroastrian communities finally although persecution of the baha is has drawn the attention of the western media until now few scholars working in the field of iranian studies have chosen to write on the history or details of this persecution here five prominent figures in the field redress this balance and look at different aspects of this persecution including its historical background the attitude of secular iranians persecution before and after the islamic revolution of 1979 and human rights perspectives this book will be of interest to students and scholars of iranian studies middle eastern studies and comparative religion and with many chapters authored by leading academics in iranian studies the baha is of iran addresses both a gap in academic literature on the baha i faith and in the study of modern iran in general

the world of the bahá í faith is an outstanding guide to the bahá í faith and its culture in all its geographical and historical diversity written by a distinguished team of international contributors this volume explores the origin of this religion and contains substantial thematic articles on the living experience of the global bahá í community the volume is organised into six distinct sections leadership and authoritative texts theology humanity society the contemporary bahá í community history and spread of the bahá í community these sections cover such themes as the afterlife artistic expression bahá í institutions devotional life diversity economics education the environment and sustainability family life gender human nature interfaith relations international governance law marriage peace persecution philosophy race science and religion scripture spirituality and work the development of the bahá í faith is outlined in ten regional articles this volume provides an authoritative and accessible source of information on all topics important to the bahá í faith the world of the bahá í faith will be essential reading to students and scholars studying world religions and comparative religion it will also be of interest to those in related fields such as sociology political science anthropology and ethics

religious seekers have a new compilation taken from the writings of bahaullah the prophet founder of the bahai faith these selections are unique as they were written in response to specific questions from people wishing to know more about the principles and teachings of the bahai faith the questions and the responses given between the years 1860 1880 are very relevant in todays world the questions came from people came with various religious backgrounds providing the reader with a broad understanding of the central tenets of the bahai faith in each response bahaullah answers the question of the seeker and then expands on various related spiritual themes in doing so bahaullah has provided us with a collection of far reaching significance that is surprisingly applicable to the questions of religious seekers today

bahaism and its claims a study of the religion promulgated by baha ullah and abdul baha is a detailed examination of the bahai faith focusing on its historical origins doctrines and claims wilson investigates the development of bahaism from its roots in the babi movement in persia through the leadership of baha ullah and abdul baha and explores the religion s expansion particularly in the west he scrutinizes bahaism s claims to be a universal religion that seeks to unify mankind and supersede christianity emphasizing its doctrinal differences particularly regarding christ and christian teachings wilson also analyzes the political and social impacts of the bahai faith its stance on the state women and morality and its controversial role in various historical events including assassination attempts and schisms within the movement the book critiques bahaism s claims to moral superiority and its political opportunism while also documenting its spread in the western world and its relationships with other religions the work draws from bahai writings and personal encounters offering a critical

perspective on the movement's evolution and teachings

my baha i faith is a user friendly introduction to the teachings of the baha i faith a fairly new world religion that teaches that all the major world religions were revealed by messengers of the same god written in a conversational tone by a long time baha i it is geared towards a mainstream audience that has a casual interest in the baha i spiritual and social teachings and how they might apply to one's personal life

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

the bahá'í faith is a religion that was founded by bahá'u'lláh in the mid nineteenth century and has since spread all around the world though a way of life that is largely grounded in action the mystical connection between the individual believer and god stands at its core the seeker of truth aims to walk the mystical path with practical feet this book highlights the place of mysticism in the bahá'í faith through an exploration of its sacred literature it discusses bahá'u'lláh's teachings on god and creation the purpose of life the nature of spiritual experience and transformation as well as the principles and practices that the spiritual seeker utilises on the path of transformation through this exploration we discover the potential of the human being to live an active and spiritual life in this world drawing closer to god each person was created in the image of god and has the capacity to mirror all of god's perfections experiencing his light both in the outside world and within in this world and the next

this is the first collection of scholarly essays on the history of the bahá'í faith to be published as a book included are the works of five scholars who have conducted original research on specific aspects of the bábí and bahá'í religions two essays are concerned with bahá'í history in iran denis maceoin's provocative paper traces the first years of interaction and conflict between the shaykhí school and the emerging bábí movement moojan momen provides a fascinating account of the relations of christian missionaries in iran with bábís and bahá'ís the three remaining essays discuss american bahá'í history peter smith's comprehensive survey of the american community from 1894 to 1917 adds substantially to our knowledge of that period william collins offers an in depth study of the bahá'ís of kenosha wisconsin where one of the first bahá'í communities was established finally loni bramson lerche examines the development of bahá'í administrative procedures from 1922 to 1936 this is the first volume in the studies series and remains a classic work of bahá'í history it is a basic text for any study of the history of the bahá'í faith comments about the series include the series demonstrates both that a critical mass of young scholars interested in these movements have formed that the baha i community in the u s can now support academic books on the religion british society for middle eastern studies bulletin much more work needs to be done on baha i history in iran that process is now underway this collection carries it further middle east journal there is a mass of information here that could be used in more comparative or theoretically oriented studies iranian studies a fascinating volume which offers much new information on the development of a modern faith religious studies review this volume is well worth reading by anyone seriously interested in religion in modern iran british society for middle eastern studies bulletin
