this comprehensive collection of contemporary sociological theory is the definitive guide to current perspectives and approaches in the field examining key topics and debates in the field collects the most representative material available on topics such as symbolic interactionism phenomenology structuralism network theory critical theory feminist theory and the debates over modernity and postmodernity includes examinations of the work of foucault giddens and Bourdieu a new section for this edition opens up the debate on power and inequality thematically organized

a world class introduction to the historical and continuing impact of classical theory on sociological debate the latest edition of classical sociological theory offers students a definitive guide to the theoretical foundations of sociology and the continuing impact of the ideas explored by early theorists including Marx Durkheim Weber Mead Simmel Freud Du Bois Adorno Marcuse Parsons and Merton the prestigious editors have integrated several readings on the most influential theories arising out of the enlightenment era and the work of de Tocqueville readers are introduced to seminal works in classical sociological theory by way of editorial introductions that lend historical and intellectual perspective to the included readings the readings themselves have been selected based on their combinations of theoretical sophistication and accessibility from analyses of self and society to examinations of critical theory and structural functional analysis classical sociological theory remains the gold standard in classical theory readers the fourth edition of this widely taught book includes selections that trace the history of classical sociological theory from its undisciplined roots to its modern influence on contemporary sociological debate readings describing the pre history of sociology including ideas from the enlightenment and de Tocqueville editorial introductions that place selected works firmly in their intellectual philosophical and historical contexts for the benefit of the student a distinguished and scholarly team of editors with a wide and deep range of expertise perfect for undergraduate and graduate students of social and sociological theory classical sociological theory is also a thought provoking resource ideal for use in courses taught in human geography anthropology criminology and urban studies programs

this set contains the two authoritative textbooks contemporary sociological theory 3rd edition and classical

sociological theory 3rd edition the third edition of contemporary sociological theory is the definitive guide to current perspectives and approaches in the field examining key topics and debates in the field the new edition of classical sociological theory explores the roots of sociology from its undisciplined beginnings to its current influence on contemporary sociological debate

sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena from this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of adherents as a result theories in sociology do not compete head on with each other as much as they coexist this seminal reference work was brought together with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory contributors describe what they themselves are doing right now rather than what others have done in the past the goal of this volume is to allow prominent theorists working in a variety of traditions who wouldn't usually come together to review their work the chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today some areas included are section i theoretical methodologies and strategies section ii the cultural turn in sociological theorizing section iii theorizing interaction processes section iv theorizing from the systemic and macrolevel section v new directions in evolutionary theorizing section vi theorizing on power conflict and change section vii theorizing from assumptions of rationality this handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory

now with sage publishing and co authored by one of the foremost authorities on sociological theory george ritter and jeffrey stepnisky's classical sociological theory seventh edition provides a comprehensive overview of the major theorists and schools of sociological thought from the enlightenment roots of theory through the early 20th century the integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories new to this edition in ch 1 colonialism is now discussed as a major social force in development of modern society in ch 2 there is an expanded discussion of the historical significance of early women founders and the contributions of w e b du bois the chapter on du bois ch 9 includes new material

about his intellectual influences new contemporary commentary about durkheim has been added to ch 7 ch 9 includes new material from recently translated later writings of george simmel providing new context for his overall theory addition of historical context boxes throughout text sections on contemporary applications of classical theory have been added to each chapter

the authors are proud sponsors of the sage keith roberts teaching innovations award enabling graduate students and early career faculty to attend the annual asa pre conference teaching and learning workshop modern sociological theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the mid 20th century written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with with biographical sketches of theorists placing them in historical and intellectual context

written by award winning scholar jonathan turner contemporary sociological theory covers the range of diversity of theory in nine theoretical traditions and variants of theoretical approaches in these traditions the result is a comprehensive review of present day theorizing in sociology covering functional evolutionary ecological conflict interactionist exchange structuralist cultural and critical theories and the major proponents of these theories moreover for each theoretical tradition its origins are examined in a separate chapter with an eye to how classical theorists influenced the work of key contemporary scholars this book will serve as a valuable resource for those readers seeking in depth and comprehensive coverage of contemporary traditions in their historical contexts unlike many texts coverage is comprehensive and deep the theories and their origins are examined in detail so that readers can fully understand the origins and present profile of theories in present day sociology unlike many texts that skim over theories on the surface this book seeks to unlock for the reader their underlying structure of each theory the book is written in a modular format so that theories and traditions can be examined in any order and in many diverse combinations if desired only the contemporary theories can be read without attention to their historical contexts or the reverse is true if readers want to understand the historical origins of a particular theoretical tradition since jonathan turner is an active theorist in his own right he brings to the book an appreciation of how theories are created as an insider rather than as only a commentator on theory as such he is able to bring out the underlying assumptions structure and form of a theory in new and interesting ways for

casual readers and scholars alike
