please note this is a companion version not the original book sample book insights 1 the clintons have become exceedingly wealthy thanks to the millions of dollars they have collected from foreign entities while there is debate about whether or not these transactions should be limited

there is near universal agreement that they should be played by americans only 2 the best way to investigate whether a politician is doing favors for a major campaign contributor is to look at their behavior patterns if investigators find that the timing of major campaign contributions occurs immediately before the politician makes a highly favorable decision for the donor this would be highly suspicious 3 i am focusing on the financial dealings of the clintons specifically because they are such a unique couple no other ex politician has been able to accumulate such a large amount of money in such a short period of time 4 bill s speechmaking does not happen in a vacuum it is part of a larger pattern of activity that has never before been exposed to public scrutiny during hillary s years of public service the clintons have conducted or facilitated hundreds of large transactions with foreign governments corporations and private financiers

a look at how individual endeavors can save lives and solve problems offering compelling examples of both citizen and corporate activism at work in the world today almost everyone regardless of income available time age and skills can do something useful for others and in the process strengthen the fabric of our shared humanity inspiring stories of people and organizations some famous as well as many private citizens whom readers will be hearing about for the first time show that the act of giving takes many forms that offerings of time skills objects and ideas can be just as important as contributions of money and that the lives of those who give are changed as well from publisher description
