Ideas, inspiration, and the moves to keep student learning at the center of instructional coaching, no matter where it occurs. As we return to normal, the guidance in this book will ensure we continue to focus on deeply knowing our students, having a coherent and focused curriculum, and coaching from a place of formative assessment and evidence. Authors Diane Sweeney and Leanna Harris, whose best-selling books have influenced thousands of K-12 coaches, have written *Student-Centered Coaching: From a Distance to Help Coaches and Teachers Adapt*. Each chapter includes coaching moves that can be used in virtual, hybrid, and in-person settings. These technology-focused moves are accompanied by language stems, note catchers, and other tools that provide structure and coherence to coaching conversations. Each chapter also provides specific moves that promote equity and work to remove many of the barriers that have been brought into clearer focus during the challenges of our times. Readers will find a highly effective coaching approach tailored to the distance learning context, strategies to help close opportunity gaps in depth instruction, and for co-teaching from a distance. The enduring practices in this book will help coaches partner with teachers during challenging times and keep student learning at the center for years to come.

Even under ideal conditions, teaching is tough work. Facing unrelenting pressure from administrators and parents and caught in a race against time to improve student outcomes, educators can easily become discouraged or worse, burn out completely. Without a robust coaching system in place to support them, for more than 20 years, perfecting such a system has been the paramount objective of best-selling author and coaching guru Jim Knight and his team of researchers at the Instructional Coaching Group (ICG). In *The Definitive Guide to Instructional Coaching*, Knight offers a blueprint for establishing, administering, and assessing an instructional coaching program, laser-focused on every educator's ultimate goal: the academic success of students. Organized around ICG's seven success factors for great instructional coaching, this book offers an in-depth guide to the Impact Cycle, ICG's research-based and field-tested model for coaching teachers through issues that matter most to them. Detailed guidance on how to create a playbook of instructional strategies to share with collaborating teachers and how to model those strategies under different conditions, practical advice on preparing for and engaging in substantive, reflective, and teacher-centered coaching conversations, best practices for gathering, analyzing, and responding to data for improved teaching and learning, and real-life anecdotes and testimonies from educators and coaches who have reaped the benefits of the Impact Cycle in a diverse array of schools. In addition, each chapter of the book contains a learning map to help orient you and a list of valuable additional resources to complement the text. Whether you're new to coaching or well-versed in the practice, *The Definitive Guide to Instructional Coaching* will no doubt prove a cornerstone of your coaching library for years to come.

As the instructional coach for multilingual students and their teachers, you need as the population of multilingual learners (MLs) in K-12 schools continues to grow. Instructional coaches must support content teachers to recognize these students' assets and address their linguistic, cultural, academic, and social-emotional needs, leveraging her decades of facilitating and coaching experience in the fields of language literacy and professional learning. Margarita Calderón meets this urgent need with practical, evidence-based strategies to leverage the power of coaching in support of ML excellence through the individual chapters dedicated to academic language, reading and writing instruction, and strategies to promote student discourse and social-emotional learning. Embedded throughout this book will give coaches what they need to guide all teachers toward ML excellence. Additional features include a step-by-step framework designed to help coaches promote teacher efficacy with MLs regardless of program setting or instructional

approach clear guidance for how to structure coaching sessions with teachers driven by research based approaches and observation and feedback protocols for accelerating student comprehension myth busting facts about the do s and don ts of effective coaching for ml success spotlights on the experiences of veteran coaches focusing on successes challenges and tips to remain resilient individual and group reflection questions and tools at the close of each chapter offering solutions to the challenges faced by mls that content area teachers must be prepared to address this book is a powerful tool coaches can use to move multilingual instruction beyond compliance to excellence

when we embark on a journey every action revolves around the destination of course not all trips are smooth sailing we inevitably hit distractions obstacles and detours these challenges threaten to blow us off course but when we stay focused on the destination rather than the barriers we can move forward the same is true in education barriers to effective teaching are neither permanent states nor character traits rather they are temporary challenges successful coaches help teachers overcome by connecting them with the right methods and keeping them focused on the destination in *compassionate coaching* kathy perret and kenny mckee identify the six most vexing challenges teachers face lack of confidence failure overload disruption isolation and school culture challenges and the six corresponding ways that coaches can help teachers surmount them dubbed the compassionate coaching focus areas coaching with compassion is a process focused on partnership empowerment prioritization routine connection and openness done well it can result in transformational improvements to student achievement and teacher work satisfaction in some cases it can even shift the trajectory of whole schools roadblocks and detours can get in our way when we are coaching just as they can during any journey instead of grumbling about the setbacks we can open our eyes to the possibilities of a new and better route that s what compassionate coaching offers let s go
