this book is a comparative study of the exclusion of illegally gathered evidence in the criminal trial which includes 15 country studies a chapter on the european court of human rights and a comparative synthetic conclusion no other book has undertaken such a broad comparative study of exclusionary rules which have now become a world wide phenomenon the topic is one of the most controversial in criminal procedure law because it reveals a constant tension between the criminal court s duty to ascertain the truth on the one hand and its duty to uphold important constitutional rights on the other most importantly the privilege against self incrimination and the right to privacy in one s home and one s private communications the chapters were contributed by noted world experts on the subject for the xviii congress of the international academy of comparative law in washington in july 2010

with populist nationalist and repressive governments on the rise around the world questioning the impact of politics on the nature and role of law and the state is a pressing concern if we are to understand the effects of extreme ideologies on the state s legal dimensions and powers especially the power to punish and to determine the boundaries of permissible conduct through criminal law it is essential to consider the lessons of history this timely collection explores how political ideas and beliefs influenced the nature content and application of criminal law and justice under fascism national socialism and other authoritarian regimes in the twentieth century bringing together expert legal historians from four continents the collection s 16

chapters examine aspects of criminal law and related jurisprudential and criminological questions in the context of fascist italy nazi germany nazi occupied norway apartheid south africa francoist spain and the authoritarian regimes of brazil romania and japan based on original archival doctrinal and theoretical research the collection offers new critical perspectives on issues of systemic identity self perception and the foundational role of criminal law processes of state repression and the activities of criminal courts and lawyers and ideological aspects of and tensions in substantive criminal law

if subjecting war to law is one of the most important legal achievements of the 20th century progressing further in that direction is one of the most important challenges for the 21st century the problems it poses are many the term war has formally fallen into disuse and we talk about peacekeeping armies are today the product of cooperation between states and international organizations private contractors increasingly participate in warlike activities as the case of the iraq war demonstrates and the lines between war and very serious forms of crime terrorism organized crime are increasingly blurred this volume compiles the contributions presented at xvth international congress on social defence and tackle the criminal legal issues raised by these new scenarios it constitutes an innovative volume gathering together the work of both academic and military authors who have drawn on their theoretical and practical experience

this book presents a comprehensive analysis of the italian experience of transitional justice examining how the crimes of fascism and world war ii have been dealt with from a comparative perspective applying an interdisciplinary and comparative methodology the book offers a detailed reconstruction of the prosecution of the crimes of fascism and the italian social republic as well as crimes committed by nazi soldiers against italian civilians and those of the italian army against foreign populations it also explores the legal qualification and prosecution of the actions of the resistance particular focus is given to the togliatti amnesty the major turning point through comparisons to the wider european post wwii transitional scenario and other relevant transitional amnesties allowing consideration of the intense debate on the legitimacy of amnesties under international law the book evaluates the italian experience and provides an ideal framework to assess the complexity of the interdependencies between time historical memory and the use of criminal law in a historical moment marked by the resurgence of racism neo fascism falsifications of the past as well as the desire to amend the faults of the past the italian unfinished experience of dealing with the fascist era can help move the discussion forward the book will be an essential reading for students researchers and academics in international criminal law transitional justice history memory studies and political science

in the eu's fast growing area of freedom security and justice the principle of mutual recognition should play a key role in the field of judicial cooperation in criminal matters since mutual recognition was enshrined as a cornerstone of judicial cooperation in the eu by the european council of tampere in 1999 an increasing number of binding instruments based on this principle have been adopted in the framework of the eu's third pillar the considerable impact of those instruments on national criminal legal systems has often required a major effort by member states in adjusting their national legislation so that it complies with the new mechanisms agreed at eu level what are the real difficulties encountered by member states in the transposition of these legislative texts into national law and even earlier when the texts are being negotiated within the council of the eu what lessons can be learned from the early years of their practical implementation by the competent judicial authorities and above all what will be the future role and scope of the principle of mutual recognition in criminal matters in europe the entry into force of the lisbon treaty and the adoption of a new multi annual programme replacing the hague programme to strengthen the eu's area of freedom security and justice are both pending in this crucial time of transition and uncertainty the book seeks to provide answers to the above questions and many other related issues through its country by country approach covering the vast majority of the member states it intends to provide policymakers practitioners academics and researchers with a comprehensive analysis of the problems that have emerged and the solutions envisaged by each state in their implementation of mutual recognition instruments the country chapters are followed by a final eu wide analysis that seeks to identify common themes and obstacles and to consider future options and possible scenarios the whole study based on in depth research combined with interviews conducted with hundreds of practitioners and experts from across the eu amounts to a remarkable team performance carried out together with academics and researcher members of eclan european criminal law academic network

this book deals with human rights in european criminal law after the lisbon treaty doubtless the lisbon treaty has constituted a milestone in the development of european criminal justice not only has the reform following the treaty given binding force to the eu charter of fundamental rights but furthermore it has paved the way for unprecedented forms of supranational legislation in this scenario the enforcement of individual rights in criminal matters has become a core goal of eu legislation alongside these developments new interactions between national and supranational jurisprudences have emerged which have significantly contributed to a human rights oriented approach to european criminal law the book analyses the main developments of this complex phenomenon from an interdisciplinary perspective criminal and procedural law constitutional law and comparative law must thus be combined to achieve a full understanding of these developments and of their impact on national law
