instructional manual for the training of individuals for the office of a deacon

servants in charge is a training guide for elders and deacons with a study guide included servants in charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders and for servants who find themselves in charge there are guidelines toward effective and fruitful ministry have you ever been in an office or a place of business when someone walked in and asked who s in charge here can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery in a beautiful parable about his second coming jesus made it clear that his servants are in charge these people are known not so much for their position or power but for their attitude of true servant hood in servants in charge we find that dr bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis he also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the new testament he completes this short study with a guide for preparation for them and their election and consecration a great must have for the church today

indifference toward deacon development places the church in a precarious state by and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office when pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in christ on the other hand trained deacons or those in training discover exciting opportunities with which

the office of deacons is filled they come to perceive the office as one of service rather than honor the church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor unquestionable god is looking for a special breed of deacons a new testament breed who are spirit filled and qualified to say that deacons are qualified is to say also that they are trained for the work of deacons

provides practical instruction to help pastors and congregational leaders bring clarity and purpose to the role of elders or deacons and to help deacons or elders learn and refine their ministry each of the nine sessions in training ministry teams reflects on jesus method of training leaders and works toward a specific outcome topics include working as a ministry team decision making mediating conflict visitation partnering with the pastor and more sessions conclude with group assignments designed to move participants from theory to action also included are resources to help in calling commissioning and nurturing elders and deacons 108 pages

this is a training manual and workbook to be used in preparing women in the church for the work of a deaconess

this book speaks to the responsibilities of deacons who operate under the anointing of the holy spirit but are subject to the pastor the pentecostal deacon will be a one of a kind book in your library no other book speaks to the unique calling of spirit filled deacons and deaconesses nor details the multiplicity of ways pastors can use them in accordance to biblical teachings in addition no single volume of work can better prepare deacons for their role as a servant while confirming the pastoral role in the selection training and support of these mighty warriors of god no longer do pentecostal holiness charismatic and other pastor led and spirit filled churches have to use deacon training manuals that are not reflective of their doctrines

it is wonderful to be saved praise to god for his unspeakable gift it is a wonder god doesn t take us straight to heaven at the moment of our salvation he loves us so much and has paid such a price for our salvation that you would think that he would want us to be with him immediately but god doesn t do that he leaves us here to serve
