encouraging ethics and preventing corruption brings theory and practice together in addressing
 the question how are we to be ethical in public life and through public institutions it is a major
 contribution to public sector ethics within australia and internationally because it provides an
 exhaustive analysis of reform across a decade in one jurisdiction queensland and then proceeds
 to itemise a best practice integrity system or ethics regime drawing on the extensive research of
 two of australia s leading practical ethicists this text is essential reading for all students and
 practitioners of applied and professional ethics in the public sphere part a of the text provides a
