this book looks at charlie chaplin s masterpiece modern times 1936 through the lens of film aesthetics structure and post modern perspective the naïve tramp character of modern times is often seen as the embodiment of a revolutionary reaction to his age however this study of the film shows that it is not only difficult but also impossible to accept the long established critical reception of chaplin s film and its characters in our own post modern times drawing from extensive research and bringing post modern context to the film through a comparative analysis of todd phillips s joker 2019 the book introduces how exhilarating a comprehensive study of film can be for engaged viewers illustrating that a detailed filmic reading of modern times can be a guide or an extended case study for analysing culture this book will be of interest to students and teachers in film studies literary studies and the visual arts
