this fully revised edition focuses on the major issues and assesses the validity of the different interpretations advanced on the origins of the first world war there is an enormous literature on the origins of the first world war this pamphlet focuses on the major issues involved in the topic and assesses the validity of the different

interpretations advanced beginning with the legacy of bismarck s diplomacy between 1871 and 1890 ruth henig surveys the roots of the conflict and outlines the assassination crisis which led to war in august 1914 looking especially at the factors which influenced individual countries to mobilize their armed forces she goes on to consider how the long term factors leading up to the crisis of 1914 and the crisis itself have been interpreted by successive generations of historians since 1919 including the recent arguments concerning german responsibility for the outbreak of war

first published in 2003 routledge is an imprint of taylor francis an informa company

this book is an insightful narrative history focusing on why the first world war occurred how it was fought and why it had the consequences it did it examines in turn the state of europe in 1914 and the outbreak of war the onset of attrition in 1915 and the extension of the war the crisis of the war 1917 18 the collapse of russia and the weakening and eventual surrender of the central powers the making of peace and the historical controversies surrounding the causes and conduct of war

a j p taylor was one of the most acclaimed and uncompromising historians of the twentieth century in this clear lively and now classic account of the first world war he tells the story of the conflict from the german advance in the west through the marne gallipoli the balkans and the war at sea to the offensives of 1918 and the state of europe after the war containing photographs and maps this an essential history of the war that cut deep into the consciousness of modern man

studies the causes social and economic impact and military strategies of world war i and profiles the world leaders who played important roles in the war s outcome

the fullest account yet of the british home front in the first world war and how war changed britain forever

world war one was one of the bloodiest wars in modern history at its end it had claimed over seventeen million lives it led to the collapse of nations the abdication of monarchies and ended empires entire divisions of men perished in the pursuit of mere miles of uninhabitable wasteland towns were pulverized and millions displaced it became a horrendous war of attrition each side competing to kill as many of their foe as possible inside you will read about 1914 blood is spilled 1915 the dawn of the industrialized war 1916 unrelenting bloodshed 1917 revolution revelation and catastrophe 1918 the great war at an end it became the first industrialized war in history and introduced revolutionary technology into the fray the airplane the tank

and the machine gun first saw action collectively during the conflict it was also the first war in which poison gas was used to choke young men out of their trenches this book is a timeline account of the important events that shaped the first world war it details the events and causes that led the world to war this book covers the milestone moments important battles and how the outcome changed the world forever

this volume is the result of an international conference held at sapienza university of rome in june 2014 which brought together scholars from different countries to re analyse and re interpret the events of the first world war one hundred years after a young bosnian serb student from the mlada bosna gavrilo princip lit the fuse and ignited the conflict which was to forever change the world the great war initially on a european and then on a world scale demonstrated the fragility of the international system of the european balance of powers and determined the dissolution of the great multinational empires and the need to redraw the map of europe according to the principles of national sovereignty this book provides new insights into theories of this conflict and is characterized by internationality interdisciplinarity and a combination of different research methods the contributions based on archival documents from various different countries international and local historiography and on the analysis of newspaper articles postcards propaganda material memorials and school books examine ideological and historiographical debates the memory of the war and its most important contemporary and popular narratives and the use of propaganda for the mobilization of public opinion in addition to military social political economic and psychological aspects of the conflict

a new interpretation of the origins of world war i that synthesises recent scholarship and introduces the major historiographical and political debates surrounding the outbreak of the war it examines key issues providing a clear account of relations between the great powers disintegrating empires and the role of smaller states

on 7 august 1914 a french corps attacked towards mulhouse in alsace and was immediately thrown back by the germans on 14 august two weeks before tannenberg and three weeks before the battle of the marne the french 1st and 2nd armies attacked into lorraine and on 20 august the german 6th and 7th armies counterattacked after forty three years of peace this was the first test of strength between france and germany in 1929 karl deuringer wrote the official history of the battle for the bavarian army an immensely detailed work of 890 pages chronicling the battle to 15 september here first world war expert and former army officer terence zuber has translated and edited this study to a more accessible length while

retaining over thirty highly detailed maps to bring us the first account in english of the first major battle of the great war

as the war is slipping beyond living memory this concise history helps ensures that the conflict is never forgotten wwi lasting just four years from 1914 to 1918 was without parallel the first true global conflict in which all of the earth s great powers participated this book tells the story of this cataclysmic event it describes the background to war the international rivalries and conflicts of the previous decades that led to the nations of europe forming virtual armed camps the relentless build up of military and naval hardware that characterized the early years of the 20th century and the great figures that tried to prevent conflict or enthusiastically pushed for it each year of the war is dealt with in its own chapter the battles various battlefronts and important incidents described and analyzed for their impact on the conduct of the war the book also examines the last acts of this war to end all wars providing accounts of the russian revolution the decisive entry of the u s into the hostilities and the efforts of the paris peace conference after the armistice to apportion blame and punish the losers

as the war is slipping beyond living memory this concise history helps ensures that the conflict is never forgotten wwi lasting just four years from 1914 to 1918 was without parallel the first true global conflict in which all of the earth s great powers participated this book tells the story of this cataclysmic event it describes the background to war the international rivalries and conflicts of the previous decades that led to the nations of europe forming virtual armed camps the relentless build up of military and naval hardware that characterized the early years of the 20th century and the great figures that tried to prevent conflict or enthusiastically pushed for it each year of the war is dealt with in its own chapter the battles various battlefronts and important incidents described and analyzed for their impact on the conduct of the war the book also examines the last acts of this war to end all wars providing accounts of the russian revolution the decisive entry of the u s into the hostilities and the efforts of the paris peace conference after the armistice to apportion blame and punish the losers

illustrates life on the home front important battles war from the perspective of generals and soldiers the collapse of empires and glimpses of world war ii through photographs paintings cartoons and posters

this is the first truly definitive history of the first world war the war that has done most to shape the twentieth century the first generation of its historians had access

to only a limited range of sources and their focus was primarily on military events more recent approaches have embraced cultural diplomatic economic and social history in hew strachan s authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative the result is an account that breaks the bounds of national preoccupations to become both global and comparative to arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it it provides full and pioneering accounts of the war s finances of the war in africa and of the central powers bid to widen the war outside europe

in a compact but comprehensive and clear narrative this book explores the first world war from a genuinely global perspective putting a human face on the war william kelleher storey brings to life individual decisions and experiences as well as environmental and technological factors such as food geography manpower and weapons without neglecting traditional themes the author s deft interweaving of the role of environment and technology enriches our understanding of the social political and military history of the war not only in europe but throughout the world
