today international investment law consists of a network of multifaceted multilayered international treaties that in one way or another involve virtually every country of the world the evolution of this network continues raising a host of issues regarding international investment law and policy especially in the area of international investment disputes this yearbook monitors current developments in international investment law and policy focusing in part one on trends in foreign direct investment fdi international investment agreements and investment disputes with a special look at developments in the oil and gas sector part two then looks at central issues in the contemporary discussions on international investment law and policy with contributions by leading experts in the field this title provides timely authoritative information on fdi that can be used by a wide audience including practitioners academics researchers and policy makers

surveys the laws that affect libraries and librarians

focuses on the federal fair debt collection practices act and other federal and state consumer remedies for deceptive unfair and illegal collection practices publisher s brochure

this collection compiles a critical mass of top research nearly 300 chapters from upwards of 400 of the world's leading experts to provide libraries with a landmark four volume reference to meet research needs in the many disciplines impacted by these far reaching topics this collection covers topics including mobile commerce virtual enterprises business to business applications services and enterprise methodologies provided by publisher

agenda 21 initiated the globalization of environmental law and began a body of national statutes to aid countries in protecting public health from pollution governing industrial safety standards and more this title analyzes the key environmental laws regulations and implementation systems and agencies of 39 countries from around the globe

one of the largest private sector investment projects in africa is threatening human rights in chad and cameroon a consortium of oil companies led by exxonmobil and including chevron and petronas is extracting oil from the doba oilfields in southern chad and transporting it through a newly built 1 070 km pipeline to cameroon's atlantic coast international law places the primary obligation for realising human rights on states however there is increasing recognition that responsibility for contributing to the protection of human rights extends to other actors in society as acknowledged in the universal declaration of human rights amnesty international believes that companies have human rights responsibilities within their sphere of influence these extend globally and are particularly relevant when companies operate in countries where grave violations of human rights are part of the context of their activities as is the case in chad and cameroon this report highlights the potential dangers to human rights posed by investment

agreements underpinning the pipeline project as well as the need for a new approach to investment that ensures respect for human rights amnesty international calls on the governments international financial institutions and companies involved in the chad cameroon pipeline project to revise the investment agreements to include an explicit guarantee that nothing in them can be used to undermine either the human rights obligations of the states or the human rights responsibilities of the companies
