finally a book that offers a plan that can resolve our country s mind boggling domestic problems and settle the troublesome international issues including the war on terror which threaten to erupt into global conflict the new manifest destiny is a fresh insightful look at the big problems that endanger the security of every nation in the modern world in this account bill washington uses the greatest axioms of the bible to demonstrate the link between the abandonment of our traditional christian values and the seemingly intractable problems that we face in the early 21st century in particular the teaching of the mentally destructive dogma of the theory of evolution is cited as a major cause for our current downward spiral the prophetic conclusion may come as a surprise to many as the new manifest destiny it offers hope and encouragement to a world on the brink of disaster

potteriversity essays exploring the world of harry potter presents a written companion to the popular hermione approved mugglenet podcast by the same name selected from the top potter studies scholars in the field the diverse authors in the volume provide a range of interpretations of wizarding world stories essays include analysis of genre conventions literary and religious symbolism the role of games in the series pedagogical approaches and politically challenging issues like u s race relations

colonialism and gender and sexuality including direct attention to j k rowling s controversial statements about trans people grouped into the sections occult knowledge ancient magic a question of character self and other playing potter and teaching the hogwarts way partnered essays precede transcripts of podcast conversations led by the hosts of potterversity the book s essays and conversations aim to engage not only the mind but the spirit as well the emotional personal and moral responses the potterverse has evoked in so many people around the world fundamentally this book demonstrates that the characters stories and situations of the magical realm promote thinking that helps us navigate our more mundane but no less dangerous world perhaps even more importantly they help us to recognize the magic amid our everyday muggle realities
