in the tantric transformation we are introduced to the sacred and ancient tradition of tantra by a contemporary tantric master osho we are given a detailed map of tantra inner man inner woman the meeting of man and woman the transformation of energy through sex love and meditation based on the royal song of saraha we are not just introduced to an asian sex tradition but with osho we enter the higher levels of transformation here we find tantra as a door to

freedom freedom from all mind constructs mind games freedom from all structures and freedom from the other love and meditation merge and provide a path to liberation tantric transformation is a very alive concrete book for exploration of our own energy of our own inner space you don't just read osho you undefine yourself

studies of gender in african christianity have usually focused on women this book draws attention to men and constructions of masculinity particularly important in light of the hiv epidemic which has given rise to a critical investigation of dominant forms of masculinity these are often associated with the spread of hiv gender based violence and oppression of women against this background christian theologians and local churches in africa seek to change men and transform masculinities exploring the complexity and ambiguity of religious gender discourses in contemporary african contexts this book critically examines the ways in which some progressive african theologians and a catholic parish and a pentecostal church in zambia work on a transformation of masculinities

the way of transformation is a play on the title of st teresa's classic the way of perfection written for her discalced carmelite nuns it is nonetheless considered teresa's operations manual for anyone genuinely committed to the spiritual life but by perfection she doesn't intend the futile pursuit of idealized flawlessness as some might think rather teresa means achieving an authentic human fulfillment a true becoming of that person we are meant to be offering a fresh perspective on st teresa's thought father mark o'keefe draws our attention to the central fact that she considers the virtues especially love of neighbor detachment and humility as the essential and ever relevant foundation for her spirituality of prayer this very human doctor of the church teaches that whether in the 16th century or the 21st prayer is intimately and necessarily linked with personal transformation authentic prayer is never divorced from our daily living god teresa reminds us walks among the pots and pans with attention catching quotations helpful questions for personal reflection or group discussion and its comprehensive index the way of transformation is an excellent resource for any serious student of st teresa of jesus and a must read for everyone looking to explore christian spirituality and prayer more deeply and authentically

what is affine transformation in euclidean geometry an affine transformation or affinity is a geometric transformation that preserves lines and parallelism but not necessarily euclidean distances and angles how you will benefit i insights and validations about the following topics chapter 1 affine transformation chapter 2 linear map chapter 3 translation geometry chapter 4 affine group chapter 5 affine space chapter 6 transformation matrix chapter 7 barycentric coordinate system chapter 8 real coordinate space chapter 9 eigenvalues and eigenvectors chapter 10 eigendecomposition of a matrix ii answering the public top questions about affine transformation iii real world examples for the usage of affine transformation in many fields who this book is for professionals undergraduate and graduate students enthusiasts hobbyists and those who want to go beyond basic knowledge or information for any kind of affine transformation
