a country by country prayer guide the world is getting smaller cutting ourselves off from christians around the world is not an option in many countries the rise of persecution fuels concern over the safety and rights of believers while other nations that used to be closed to the gospel are seeing unprecedented numbers of conversions to christianity as global ambassador of the world evangelical alliance what dr brian stiller experiences on the ground in these nations is often counter to our impressions as he listens to people s ideas and observes their innovations he invites you to see and hear what he does an insider s guide to praying for the world includes country specific insights calling us to a deeper understanding of the christian church and witness each chapter also provides prayer challenges that come from believers in the country as well as maps and sample prayers nations from every continent are included be inspired to learn about other lands both familiar ones such as china and kenya and ones you may know very little about like sri lanka and bangladesh but more important take part in god s work by praying for the real needs of your brothers and sisters around the world

many christians find private prayer a difficult duty and thus they either totally neglect it or are negligent in their performance of it in private prayer a christian duty puritan pastor oliver heywood illustrates the necessity of spending time in private prayer each day using matthew 6 6 as his text but when you pray go into your room and shut the door and pray to your father who is in secret and your father who sees in secret will reward you heywood teaches how to cultivate a habit of daily prayer which is both refreshing and delightful he reviews the time place and content appropriate for our private prayers and answers several objections that are commonly used to excuse ourselves from praying regularly including lack of time cold heartedness wandering thoughts and not knowing what to say several scriptural instances of private prayer are explored including the lord s prayer and the mighty wrestling of jacob in prayer genesis 32 through this teaching the believer will find resources and encouragement to help fulfill this beneficial obligation out of print for nearly two hundred years this classic treatise has been carefully prepared for the benefit of a new generation of christian readers even those not accustomed to puritan works will find heywood s warm and engaging style both eminently useful and christ exalting

the question of what prayer is and how exactly one goes about praying has been vexing christians for centuries for this reason r a torrey s how to pray is as relevant now as it was

prayer is like a circle that begins and ends in god the first half of that circle is god giving us a burden in our hearts through the holy spirit the second half of the circle is our praying that god inspired prayer back to our father thus the circle is complete this is what it means to pray in the spirit the effectiveness of our prayers will depend upon the righteousness of our life true righteousness makes a god centred the god centred man has moved up to the heavenlies and looks at everyone and everything the way god looks at them god meant prayer to be to our spirits what breathing is to our bodies breathing is an effortless activity that we are engaged in all the time prayer can be a delight and a joy to you if you want such a life read on

the lord s prayer has widely viewed as a guide to communicating with god and a model as to how christians should pray but if we dig deeper into the prayer as jennifer chamberlain has so aptly done we will find that the lord s prayer is a model for how we are to live our lives in relationship with god each chapter takes parts of the prayer and turns them into lessons we can apply to our daily lives it can be used as a daily devotional or a sunday school course the book is geared to christians who seek a deeper walk with god but it also serves as an inspirational message for those who are exploring the christian life there s no doubt that as you read this series of essays you will come away with new insights on the lord s prayer as well as be fortified to walk in maturity victory and confidence with christ in these perilous and difficult times you ll never see matthew 6 9 13 quite the same again as the lord not only teaches us how to pray but to live out the words of our prayer

pray pray and pray some more god loves it and the devil hates it e m bounds offered perhaps a more profound understanding of prayer than any other contemporary christian thinker his classic books on the personal communication with god explore how prayer must come from the whole being and strengthens faith in christian lives it is through prayer that we share our thoughts and desires our father god doing good works communion church activities and the like do not and should not replace prayer prayer must be a priority in our lives prayer should be the breath of our breathing the thought of our thinking the soul of our feeling and the life of our living the sound of our hearing the growth of our growing prayer in its magnitude is length without end width without bounds height without top and depth without bottom illimitable in its breadth exhaustless in height fathomless in depths and infinite in extension in the possibilities of prayer e m bounds addresses the ministry of prayer prayer and the promises its possibilities answered prayer divine providence and much more edward mckendree bounds was a clergyman of the methodist episcopal church south and author of eleven books nine of which focused on the subject of prayer bounds was a practicing lawyer at age nineteen and after three years began preaching for the methodist episcopal church south at the time of his pastorate in brunswick missouri war was declared bounds became a prisoner of war after refusing to take the oath of allegiance to the federal government upon release he served as chaplain of the fifth missouri regiment until the close of the war

this book has been written with a deep impression that the place and power of prayer in the christian life is too little understood i feel sure that as long as we look on prayer solely as the means of maintaining our own christian life we shall not know fully what it is meant to be but when we learn to regard it as the highest part of the work entrusted to us the root and strength of all other work we shall see that we need nothing more than to study and practice the art of praying if i have succeeded in pointing out the progressive teaching of our lord in regard to prayer and the distinct reference of his wonderful promises of his last night to the works we are to do in his name to the greater works and the bearing of much fruit we shall all admit that only when the church gives herself up to this holy work of intercession can she expect the power of christ to manifest itself on her behalf i pray that god will use this book to explain to some of his children the wonderful place of power and influence that he is waiting for them to occupy and that a weary world is waiting for too andrew murray

prayer although an essential ingredient of the christian experience remains mysterious and foreign to many christians realizing this a well known but anonymous christian wrote this volume to teach christians about the power available to them through prayer according to the kneeling christian all real growth in the spiritual life all victory over temptation all confidence and peace in the presence of difficulties and dangers all repose of spirit in times of great disappointment of loss all habitual communion with god depends upon the practice of secret prayer
