the sage handbook of measurement is a unique methodological resource in which  
walford viswanathan and tucker draw together contributions from leading scholars in  
the social sciences each of whom has played an important role in advancing the study  
of measurement over the past 25 years each of the contributors offers insights into  
particular measurement related challenges they have confronted and how they have  
addressed these each chapter focuses on a different aspect of measurement so that  
the handbook as a whole covers the full spectrum of core issues related to design  
method and analysis within measurement studies the book emphasises issues such as  
indicator generation and modification the nature and conceptual meaning of  
measurement error and the day to day processes involved in developing and using  
measures the handbook covers the full range of disciplines where measurement  
studies are common policy studies education studies health studies and business  
studies

while war is most effectively waged as a united effort the united states has consistently

waged military conflict without firm central direction throughout our history observes michael pearlman the waging of war has been subject to continuous bargaining and compromise among competing governments and military factions what passes for strategy emerged from this process

the best one volume history of the united states ever written joseph j ellis it was thomas jefferson who envisioned the united states as a great empire of liberty this paradoxical phrase may be the key to the american saga how could the anti empire of 1776 become the world's greatest superpower and how did the country that offered unmatched liberty nevertheless found its prosperity on slavery and the dispossession of native americans in this new single volume history spanning the entire course of us history from 1776 through the election of barack obama prize winning historian david reynolds explains how tensions between empire and liberty have often been resolved by faith both the evangelical protestantism that has energized american politics for centuries and the larger faith in american righteousness that has driven the country's expansion written with verve and insight empire of liberty brilliantly depicts america in all of its many contradictions

so remarkable was the fighting to the east of atlanta on july 22 1864 that it earned its place as the only engagement of the civil war to be widely referred to by the date of its occurrence also known as the battle of atlanta this was the largest engagement of the four month long atlanta campaign for control of the city and the region although confederate commander john bell hood's forces flanked william t sherman's line and were able to crush the end of it they could go no further on july 22 1864 the confederates came closer to achieving a major tactical victory than on any other day of the atlanta campaign prolific civil war historian earl hess's july 22 is a thorough study of all aspects of the most prominent battle of the civil war's atlanta campaign based on exhaustive research in primary sources hess has crafted a unique and compelling study of not only the tactics and strategy associated with the engagement but also of the personal experiences of union and confederate soldiers and the effects the battle had on them this book offers fresh insights to the significance that the battle of july 22 held for the larger atlanta campaign and the entire union war effort hess also provides a thorough discussion of the death of maj gen james b mcpherson the most prominent casualty of the battle and the effect this loss had on union soldiers and civilians alike he concludes with an assessment of the battle's legacy in american history and culture detailing one of the larger and more vigorously fought battles of the civil war hess's treatment of the battle of atlanta stands out as a strong example of civil war operational history the combination of maneuver unit handling stout combat by the individual soldier and combative spirit on both sides make july 22 one of the most fascinating and remarkable battles in american history there is much for the student of military history to learn on many levels of tactics the experience of combat and battlefield leadership

how the civil war changed the face of war the civil war represented a momentous

change in the character of war it combined the projection of military might across a continent on a scale never before seen with an unprecedented mass mobilization of peoples yet despite the revolutionizing aspects of the civil war its leaders faced the same uncertainties and vagaries of chance that have vexed combatants since the days of thucydides and the peloponnesian war a savage war sheds critical new light on this defining chapter in military history in a masterful narrative that propels readers from the first shots fired at fort sumter to the surrender of robert e lee s army at appomattox williamson murray and wayne wei siang hsieh bring every aspect of the battlefield vividly to life they show how this new way of waging war was made possible by the powerful historical forces unleashed by the industrial revolution and the french revolution yet how the war was far from being simply a story of the triumph of superior machines despite the union s material superiority a union victory remained in doubt for most of the war murray and hsieh paint indelible portraits of abraham lincoln ulysses s grant william tecumseh sherman and other major figures whose leadership judgment and personal character played such decisive roles in the fate of a nation they also examine how the army of the potomac the army of northern virginia and the other major armies developed entirely different cultures that influenced the war s outcome a military history of breathtaking sweep and scope a savage war reveals how the civil war ushered in the age of modern warfare

a study of the social political and military history of the confederacy looking at how the morale of the people and the army affected the outcome of the war analyzing the operation of the confederate government and delineating the changes which occurred in the society of the old south under the impact of the war

the trust of events in mcdougall s highly charged narrative brings alive the key figures on this stage the unions four most successful generals served together in only this one campaign which was the last for the controversial braxton bragg

from the revolution to vietnam the story of america s rise to power

includes part 1 number 1 books and pamphlets including serials and contributions to periodicals january june

the murderous drug gang that terrorized philadelphia
