issues in financial accounting addresses the controversial issues in financial accounting that have been debated by the preparers users auditors and regulators of

financial statements henderson provides the best balance of technical and theoretical coverage in any financial accounting text on the market today with its presentation of real world examples current debates and the underlying rationale for the accounting concepts demonstrated throughout the text academic studies and professional accounting research are referenced to also provide a critical understanding of historical debates in financial accounting the new 15th edition covers significant recent developments to the accounting standards in australia and is based on the aasb standards and interpretations that have been issued up to the end of 2012 this includes the australian accounting standard board s aasb program of changes to make accounting standards equivalent to international financial reporting standards

goodwill sometimes purchased but often more significantly internally generated is the major constituent of the value of many listed companies accounting aims to provide users of financial statements with useful information and more than fifty current international financial reporting standards prescribe accounting disclosure requirements in minute detail however these standards dismiss internally generated goodwill with a single brief provision that it is not to be brought to account at all the impairment regime now laid down for dealing with purchased goodwill contains severe flaws while previous methods have also been found to be unsatisfactory this book traces the history of the goodwill accounting controversy in detail and demonstrates that it has been a prime example of an issue conceived in a way that it is in principle unsolvable it explores the problem of recognising the importance of goodwill as a whole and finding a way of presenting meaningful information regarding it in the context of the financial statements the author s proposed solution builds upon research undertaken and uses a market capitalization statement based on a modification of nineteenth century double accounting in a modern context examples show that the proposed market capitalization statement has the potential to provide significant information not currently available from conventional financial statements which in turn are freed to present clearer information

excellent coverage essential to worldwide bibliographic coverage american reference books annual this comprehensive reference provides current finding ordering information on more than 123 000 in print books published in australia you ll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more from thorpe

textbook and workbook on disk for tertiary accounting students to provide grounding in the law and practice of company accounting in australia this third edition updates and revises accounting standards and legal requirements to 28 february 1993 the supplement package for this text includes a student workbook a

computerised consolidations workbook and a solutions manual using the computer program word for windows version 2 ken leo is professor of accounting at curtin university of technology wa he is also co author of advanced company accounting hoggett is a senior lecturer at curtin university of technology and is co author of accounting in australia and financial accounting in australia

with increased competition for external funding technological advancement and public expectations for transparency not for profit and non governmental organizations are facing new challenges and pressures while research has explored the roles of accounting accountability and performance management in nonprofit organizations we still lack evidence on the best practices these organizations implement in the areas of accountability and performance management this book collects and presents that evidence for the first time offering insights to help nonprofits face these new challenges head on performance management in nonprofit organizations focuses on both conventional and contemporary issues facing nonprofits presenting evidence based insights from leading scholars in the field chapters examine the design implementation and working of accounting accountability governance and performance management measures providing both retrospective and contemporary views as well as critical commentaries on accounting and performance related issues in nonprofit organizations the book s contributors also offer critical commentaries on the changing role of accounting and performance management in this sector this research based collection is an interesting and useful read for academics practitioners students and consultants in nonprofit organizations and is highly accessible to accounting and non accounting audiences alike

the core focus of this text remains on the interpretation analysis illustration and application of the scope and purpose of the financial reporting processes under ifrs written for intermediate and advanced financial reporting courses both at undergraduate and post graduate level

vol for 1963 includes section current australian serials a subject list

the measurement of harmonization became a well established area of academic research from the late 1980s and the discerning selection of papers in this volume reveal a continuing interest in the topic by a large number of researchers the coverage is divided into two parts the first part concerns the measurement of harmonisation and the second contains analysis of and comment on harmonization this authoritative new volume will be of great interest to all those concerned with the issue of harmonization in international accounting

during recent years the west pacific rim has been the scene of dramatic economic growth in stark contrast to other areas of the world s economy it has attracted huge interest on the part of international investors yet there has been little up to date information on the financial reporting practices followed by companies in the region this volume brings together comprehensive analyses of current practice in each country in the west pacific rim written by the leading experts in the field it is an invaluable source of reference for all researchers and analysts with an interest in this important and fast changing area

company accounting 7th edition continues to be the authoritative textbook on corporate financial reporting the new edition has been thoroughly updated to reflect the numerous and ongoing reforms as a result of australia s adoption of ifrss the text succinctly documents recent adjustments by the iasb aasb in respect to the presentation of financial statements accounting for intangible assets accounting for income tax and the new reporting recommendations for business combinations under phase ii the text provides students with a comprehensive and practical grounding in the practice and principles of company accounting essential information on why and how company accounting entries and disclosures are made and the process of business combination for a corporate group new to this edition new chapters on corporate governance leases and equity accounting chapter 8 business combinations outlines proposed changes to assb3 as a result of the exposure draft of proposed amendments to ifrs3 revised to accord with changes in aasb as a consequence of continuing reforms with ifrs more learning check summaries in all chapters reiterate and summarise important concepts new student activity section in each chapter contains a summary demonstration problems discussion questions case studies graded exercises and problems reorganised end of chapter sections contains more diverse activity scenarios for students in an attempt to develop a broader skill base features learning checks support chapter learning objectives and summarise key knowledge for students they appear throughout each chapter and are ideal for self study purposes thorough illustrative examples and demonstration problems with various examples supported with step by step narrations
