this is a true story about a young englishman s quest to live and work in america after he tragically lost both of his parents to natural causes within two days of each other whilst on holiday on the mediterranean island of malta in october 1981 he came to america to new york city on the thirtieth of june 1985 with just two hundred dollars in his pocket he had no relatives or friends shoulders to lean on when things became rough he just had his drive and entrepreneurship to keep him going it was rough for him during the first seven years living in squalor in kansas city missouri not having electric in apartments and not having a car in columbia south carolina getting involved in a life threatening car accident in perry florida having bicycles stolen in valdosta georgia and working illegally for those seven years with fake social security numbers he eventually ended up living and working in columbia where he met and fell in love with his wife to be whilst working at a restaurant as a waiter he proposed to his wife to be just before christmas 1991 in july 1992 the young man travelled back to england to see his siblings nephews and nieces and also to get his b1 b2 visa renewed when he attempted to come back to america the ins the immigration and naturalisation service cornered him after suspecting that he was coming to america to work illegally after they searched his pockets their suspicions were correct they had no other choice than to deport him and send him back to the uk he was allowed one telephone call just like citizens that have been arrested are allowed that call was made to his fiancée sobbing he said for her to forget about him he was then escorted back to the aeroplane

on which he flew back to england thinking that he would never see his fiancée again that s not the end of the story just like in the fairy tales where the knight in shining armour rescues the damsel in distress it was the other way around in this story the damsel rescued the knight by obtaining a passport travelling by herself to england and sweeping the knight off his feet by marrying him it was relatively plain sailing after that for the young man to be able to come back to america to live and work legally and to be with the love of his life

the story of one man s desperate fight to save his family from the wrath of the coming apocalypse as the end times spiral toward the final judgement today s headlines mirror ancient prophecy to weave a tale of the frightening events as society chooses sides the minority systematically hunted till there can only be one last martyr

looking out into the universe most of us have asked at one time or another is anybody there some have yet to hear an answer others have found the answer lies much closer even in the events of their own lives what they have experienced is so convincing it leaves no doubt the script being followed shows a wisdom far greater than any human mind and a goodness none of us understands or deserves these remarkable stories show what happens when god comes along and when ordinary people have the faith to trust in him
