this book accurately identifies the various forms of identity theft in simple easy to understand terms exposes exaggerated and erroneous information and explains how everyone can take action to protect themselves identity theft is a classic crime with a modern and perhaps decidedly american twist the rise of technology over the past few decades and its influence on the processes of modernization and globalization has created many new opportunities for identity theft both locally and internationally moreover this process has transformed the nature of identity from something largely personal to something almost purely financial although identity theft is not a global crime per se it does pose a pervasive and universal threat that will need to be acknowledged and addressed by many nations throughout the world in this text author megan mcnally examines the concept of identity theft in universal terms in order to understand what it is how it is accomplished and what the nations of the world can do individually or collectively to prevent it or respond to it

nowadays the religion of islam which is still relatively unknown in the west is forcefully brought to the public s attention by the acts and threats of the islamic terrorists as a result the question is repeatedly asked what kind of religion is this the aim of this book is to argue that today traditional christianity has nothing to fear from traditional islam in

spite of appearances the two ancient religions are really allies they have common enemies and they are united in their opposition to all kinds of modern errors and immoralities including materialism and secularism consequently a true notion of islam and indeed of every complete and uncorrupted religion is what the present book taken in its entirety is all about in surveying islam stoddart provides a wealth of relevant background information and an illuminating treatise on traditional art highlighting the often neglected role of art and beauty in spirituality the text is accompanied by a map and seven colour illustrations

this work includes 1000 entries covering the spectrum of defining women in the contemporary world
