the book of revelation must be the most feared book of the bible to read now you can read it with great delight for this book is written to help you the reader to understand what your father in heaven is revealing to you god does not want his children to be ignorant of his plan for us neither does he want us to be ignorant of the things he has in store for us he has said in hosea 4 6 my people are destroyed for lack of knowledge therefore get knowledge and use that knowledge to defend yourself and help others i have to confess that i know nothing about the things of god i have to rely entirely upon the holy spirit to lead me into all truths the thing that moved me to write about the books of daniel and revelation is that i know that they are hard books to understand but i also

know that god wants his people to understand for he has loved us all with an everlasting love warren reid didn't write this book because of his will rather he wrote it because he was commissioned to do so by god the books of daniel and revelation made easy examines the twelve chapters of daniel and twenty two chapters of revelation divided into two parts it tackles the books in detail the author answers questions such as what passages of the bible should you think about time and time again why did daniel refuse to eat the king's meat and the wine he provided for them why is it so important to pray to the living and true god just as daniel did how can we recognize when satan is working through someone the lord is coming but we must be able to recognize the man of sin before christ comes we must be resolved in our hearts that we will not yield to him that we would rather choose death than to bow down and worship his image or take his mark may the god of heaven give us grace to stand for him in the evil days and may this book help light the path that leads to everlasting life

have you ever wondered how the book of daniel in the old testament could be put into a comprehensive interpretation of future prophecies with the book of revelation in the new testament this book does that for young people and adults it proves the rapture of the church is before the traditional great tribulation get answers to questions such as how can we distinguish god's anger judgments and wrath from each other who does god punish and why how do the seven seals of revelation lead up to the rapture of the church the events in revelation are lined up on a timeline to show the timing of each event readers will learn where the antichrist gets his power and why we may be witnessing the last gentile government while we cannot claim to know all prophecies we can know that god has everything under control he will fulfill his plan regardless of what we may

think will happen there is perfect peace in knowing this fact

she thought he was the promised messiah instead he was the first murderer cain it has been a long miserable journey but after 6000 years we are coming to the end of the journey and this is exactly what i have been trying to show you through all of the prophecies of daniel first then revelation i do not at anytime claim to know everything in these writings but to give you all a good look at what is approaching this world why so you will be able to make sense of everything that will impact all of our lives we do not want to be running around like wild crazed people but we will know that we have arrived to that time in prophecy that all of the prophets wanted to see now is the time to start to pick up the book and pray that the greatest teacher that ever lived will guide you and all of your loved ones to the gates of the kingdom of the most high may he be with you all

the end of time is near events in the world wars and rumors of war global warming pandemic diseases weird weather patterns and more are beginning to unsettle both the religious and non religious alike what does it all mean is there an end to this chaos god is creator and therefore the owner of time holding the stopwatch god has revealed that time as we know it will cease to exist the end of time is a specific point in time when jesus christ the son of man will send out his angels and they will gather out of his kingdom all things that offend and those who practice lawlessness and will cast them into the furnace of fire there will be wailing and gnashing of teeth matthew 13 41 42 the character of god is love not misery pain confusion or fear through his infinite insight and mercy god has revealed to us the events that will lead up to the end of time bible prophecy was given to prepare us for the end of time end of time prophecies dissects the prophecies found within the books of daniel and revelation this book unlocks the mysteries of these prophecies in a simple

manner so that all from novice to experienced can see the truths as god desired them to be known no guessing is required the bible is its own expositor explaining everything we need to know about the antichrist the mark of the beast the seal of god and what will transpire as the end of time nears stop worrying and start reading

in 1987 when ed joined a new church the pastor was teaching on the book of revelation ed so enjoyed the teaching that he decided to read what others had to say about revelation he quickly learned that there were many different interpretations of revelation and other books of the bible that contained prophecy about the end times or latter days he decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what god was telling us about how he would bring things to an end after much reading and prayer his focus narrowed primarily to the books of daniel and revelation the book of daniel is about israel in the time before christ the prophecy in daniel begins with the babylonian kingdom and continues through the roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic it also tells us about the later kingdoms but in a much broader sense and less detail the book of revelation written by john on the island of patmos tells us about the kingdoms that come after the roman kingdom revelation tells us in great detail about christ s message to the seven churches and the seventieth week of daniel s prophecy of seventy weeks of years this includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments lastly it tells us the good news about the return of christ and the establishment of his kingdom

daniel and revelation have been studied a long time now and even some persons have concluded

that some prophecies in daniel and revelation are multiple application prophecies but this commentator has never before seen a book with parallel applications of the prophecies that is here provided for the reader the reader will notice that the parallel applications of daniel 2 7 8 and 9 have only three parallel applications drawn out whereas a portion of daniel 11 has more drawn out that is because the commentator has found seven legitimate applications of a portion of daniel 11 ending with the ottoman empire nazi germany syria iraq northern united states russia and the united nations to present the seven applications of a portion of daniel 11 the scriptural text had to be repeated the historic application was also repeated along side the text for comparison purposes with the other applications all of the prophetic applications shown or un shown are or were conditional prophecies for the first applications however the conditions have already been met and the prophecies have been fulfilled for those applications still un fulfilled however they can be truncated shortened at any time by a rev 11 15 19 experience

the book of daniel records major prophecies that will be fulfilled during the time of the book of the revelation one such prophecy is given in daniel 2 44 which foretells the establishment of god s kingdom of heaven brought down to earth this event can be studied in revelation 19 11 20 6 another of these prophecies is found in daniel 7 24 25 and its fulfillment is recorded in revelation 13 1 3 this prophecy speaks of the roman empire coming to life again during the tribulation period and indeed has already been formed under the name of the european union because of this special relationship between revelation and daniel i have put together the two books in this particular format to expedite and simplify its study

more than twenty five hundred years ago an angel revealed to the prophet daniel the course of the world s history from his time to the end of the world six hundred years later additional details were delivered to john the revelator the writings of these two apocalyptic prophets are bound together in
