the book of revelation must be the most feared book of the bible to read now you can read it with great delight for this book is written to help you the reader to understand what your father in heaven is revealing to you god does not want his children to be ignorant of his plan for us neither does he want us to be ignorant of the things he has in store for us he has said in hosea 4 6 my people are destroyed for lack of knowledge therefore get knowledge and use that knowledge to defend yourself and help others i have to confess that i know nothing about the things of god i have to rely entirely upon the holy spirit to lead me into all truths the thing that moved me to write about the books of daniel and revelation is that i know that they are hard books to understand but i also know that god wants his people to understand for he has loved us all with an everlasting love warren reid didn t write this book because of his will rather he wrote it because he was commissioned to do so by god the books of daniel and revelation made easy examines the twelve chapters of daniel and twenty two chapters of revelation divided into two parts it tackles the books in detail the author answers questions such as what passages of the bible should you think about time and time again why did daniel refuse to eat the king s meat and the wine he provided for them why is it so important to pray to the living and true god just as daniel did how can we recognize when satan is working through someone the lord is coming but we must be able to recognize the man of sin before christ comes we must be resolved in our hearts that we will not yield to him that we would rather choose death than to bow down and worship his image or take his mark may the god of heaven give us grace to stand for him in the evil days and may this book help light the path that leads to everlasting life

have you ever wondered how the book of daniel in the old testament could be put into a comprehensive interpretation of future prophecies with the book of revelation in the new testament this book does that for

young people and adults it proves the rapture of the church is before the traditional great tribulation get answers to questions such as how can we distinguish god's anger judgments and wrath from each other who does god punish and why how do the seven seals of revelation lead up to the rapture of the church the events in revelation are lined up on a timeline to show the timing of each event readers will learn where the antichrist gets his power and why we may be witnessing the last gentile government while we cannot claim to know all prophecies we can know that god has everything under control he will fulfill his plan regardless of what we may think will happen there is perfect peace in knowing this fact

she thought he was the promised messiah instead he was the first murderer cain it has been a long miserable journey but after 6000 years we are coming to the end of the journey and this is exactly what i have been trying to show you through all of the prophecies of daniel first then revelation i do not at anytime claim to know everything in these writings but to give you all a good look at what is approaching this world why so you will be able to make sense of everything that will impact all of our lives we do not want to be running around like wild crazed people but we will know that we have arrived to that time in prophecy that all of the prophets wanted to see now is the time to start to pick up the book and pray that the greatest teacher that ever lived will guide you and all of your loved ones to the gates of the kingdom of the most high may he be with you all

daniel and revelation have been studied a long time now and even some persons have concluded that some prophecies in daniel and revelation are multiple application prophecies but this commentator has never before seen a book with parallel applications of the prophecies that is here provided for the reader the reader will notice that the parallel applications of daniel 2 7 8 and 9 have only three parallel applications drawn out whereas a portion of daniel 11 has more drawn out that is because the commentator has found seven legitimate applications of a portion of daniel 11 ending with the ottoman empire nazi germany syria iraq northern united states russia and the united nations to present the seven applications of a portion of daniel 11 the scriptural text had to be repeated the historic application was also repeated along side the text for comparison purposes with the other applications all of the prophetic applications shown or unshown are or were

conditional prophecies for the first applications however the conditions have already been met and the prophecies have been fulfilled for those applications still unfulfilled however they can be truncated shortened at any time by a rev 11 15 19 experience

in 1987 when ed joined a new church the pastor was teaching on the book of revelation ed so enjoyed the teaching that he decided to read what others had to say about revelation he quickly learned that there were many different interpretations of revelation and other books of the bible that contained prophecy about the end times or latter days he decided that he needed to do more reading and study of scripture as well as books written by others so he could come to his own understanding of what god was telling us about how he would bring things to an end after much reading and prayer his focus narrowed primarily to the books of daniel and revelation the book of daniel is about israel in the time before christ the prophecy in daniel begins with the babylonian kingdom and continues through the roman kingdom in such detail and accuracy that many believe it was written much later and is more historical than prophetic it also tells us about the later kingdoms but in a much broader sense and less detail the book of revelation written by john on the island of patmos tells us about the kingdoms that come after the roman kingdom revelation tells us in great detail about christ's message to the seven churches and the seventieth week of daniel's prophecy of seventy weeks of years this includes the breaking of the seven seals the blowing of the seven trumpets and the pouring out of the seven bowl judgments lastly it tells us the good news about the return of christ and the establishment of his kingdom

both parts of uriah smith's astounding commentary of the book of daniel and its prophetic relation to the birth and life of jesus christ are united in this edition the book of daniel has aroused great interest for apparently predicting the arrival of christ on earth together with aspects of his character and deeds this fascinating relationship whereby the old testament foresees the events of the new testament has intrigued biblical scholars for centuries uriah smith a minister and educator as well as an enthusiastic studier of the bible lore embarked on a quest to commemorate line by line verse by verse the entire book of daniel the commentary of uriah is informative lengthy and detailed he explains and discusses the meanings of the

verses annotating his thoughts with references to other parts of the bible where necessary this methodology is repeated in part two whereby the author's focus is turned to the life of Jesus Christ as alluded to in the book of Revelation a comparison of the prophecies made by Daniel and those which appear in the New Testament is undertaken perhaps the most overarching theme in this work is the discussion of how God makes his intentions and will known to followers on earth deciphering such a mystery is no easy feat yet it is one which Uriah Smith attempts energetically drawing upon his decades of ministerial experience with Holy Scripture
