making life altering decisions using astrology in general and the zodiac and horoscopes in particular can be extremely complicated for the average person who is not an astrologer and thus not acquainted with celestial or planetary movement and influences most of the information provided by astrologers mean little or nothing to the average person who is simply more interested in will i be successful or will i find true love etc astrology has the ability to be a major asset in our lives the key to astrology is not in only understanding the effects that the celestial planetary influences are having on us and the people associated with us but the effect the influences are having on the environment around us and those we are targeting with our concerns only then can we

attempt to make decisions that are advantageous to our and their existence the purpose of the astrological knowledge and life charts in this book is to give you a broader view of the character and personality of people places and things this book will help you to understand which planetary influences are having the greatest and least effects on your life and the lives of others this book will help you to determine which year month week day hour and minutes favor your intentions or may be unfavorable to your intentions this book will teach you how to see the planets and their actions reflected in the people places and things around you best of all this book was designed to will provide you with the astrological knowledge you need without all the ever expanding and complicated signs symbols and calculations that normally require years of study to master this book is not designed to teach you predictive astrology as no form of astrology and no astrologer can offer guarantees for the future this is due to the fact that you have a free will which means that you can change your mind at any time proper use of astrology can only offer better odds for success in our undertakings

astrology is the study of the signs of the zodiac and the planetary positions and what they can show us about ourselves and our lives

this a to z reference book comprises astrological techniques and concepts as well as the historical figures who have contributed to the study of astrology covering astrological traditions from across the globe this authoritative guidebook offers an in depth overview of the complex and fascinating world of astrology spiritualist and occult scholar harry e wedeck provides a wealth of information on astrological terminology ideas theories and principles as well as the history of astrology from antiquity to the present wedeck also includes biographical information on major figures in the field from the arabian astrologer abben ragel to zoroaster the persian founder of the cult of zoroastrianism for practicing astrologers students of horoscopes or anyone exploring the wisdom of the stars dictionary of astrology is an essential reference work

the little book of astrology delves into each of the astrological signs and shows you how to interpret the cosmos not only day to day but far ahead into the future let this book shine a light on how the stars can reveal a deeper understanding of yourself and others

the future of astrology is a selection of essays written by some of the foremost astrologers in the world today topics explored include astrology and scientific research psychology biology and economics science versus astrology the professionalism of practitioners the politics of astrology the insights offered by esoteric astrology astrological organizations astrology as a science the role of counseling and astrological predictions about the future of our world
