Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism, whether it's through one-on-one conversations, social media, social justice, or the liturgy of worship services. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well-researched, and well-organized presentation and analysis of eight models of evangelism covering a breadth of approaches from personal evangelism to media evangelism and everything in between. Priscilla Pope-Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention. Each chapter introduces and assesses a model biblically, theologically, historically, and practically, allowing for easy comparison across the board. The book also includes end-of-chapter study questions to further help readers interact with each model.

The Pastor's Sandal Path relates my envisioning of God in nature. I was privileged to grow up with my sister and five brothers on a farm where our parents instilled in us the presence of God in our daily lives as well as in the majesty of God's nature. My early schooling took place in a one-room country school where our fantastic teacher incorporated the beauty of God and nature in the classroom and on field trips. In the upper grades, the Dominican sisters assisted my parents in laying a solid faith foundation. After graduation, I entered St. Mary of the Lake Seminary, Mundelein, where my faith was deepened, my love of Jesus increased, and God's presence in nature more keenly perceived. I hope my perceptions of God in nature will help the reader to encounter God in their ordinary experiences of life.
