this book studies developments in art historical writing and factors which shaped the album preface the prefaces were written in persian between ca 1491 and 1609 to introduce albums of calligraphy painting and drawing assembled for safavid rulers and courtiers approaches to the study of these sources are examined followed by an analysis of the sociohistorical court centered context the circumstances of the texts composition reception and literary dimensions and their art historical formation and content it ends with an interpretation of calligrapher dust muhammad s preface and his conceptualization of a history and aesthetics of depiction the book is the first to study the prefaces collectively and in relationship to other cultural practices it also draws on a wide variety of additional primary sources it includes forty illustrations and several tables

over the course of her long career eve kosofsky sedgwick became one of the most important voices in queer theory and her calls for reparative criticism and reading practices grounded in affect and performance have transformed

understandings of affect intimacy politics and identity with marked tenderness the contributors to reading sedgwick reflect on sedgwick s many critical inventions from her elucidation of poetry s close relation to criticism and development of new versions of queer performativity to highlighting the power of writing to engender new forms of life as the essays in reading sedgwick demonstrate sedgwick s work is not only an ongoing vital force in queer theory and affect theory it can help us build a more positive world in the midst of the bleak contemporary moment contributors lauren berlant kathryn bond stockton judith butler lee edelman jason edwards ramzi fawaz denis flannery jane gallop jonathan goldberg meridith kruse michael moon josé esteban muñoz chris nealon andrew parker h a sedgwick karin sellberg michael d snediker melissa solomon robyn wiegman

this 1860 sequel to the author s popular 1858 collection of essays the autocrat of the breakfast table continues the genial conversational quality of its predecessor in order to continue interest in a second volume this book is much more aggressive in tone and thought it questions aspects of religion for which an apologia appears in the preface the essays demonstrate yankee ingenuity or the self reliance displayed by early colonial settlers it also contains the story of young girl named iris which the london times praised for its beauty of form and dramatic interest

yiddish was the basic ashkenazi vernacular in the early modern period the vast majority of the population was not educated and yiddish books were printed in order to assist them with keeping a solid jewish life being a basically german language and never being a canonical language as hebrew yiddish also functioned as a buffer language between the internal ashkenazi jewish culture and the culture of the environment studying the paratexts added to printed yiddish books may teach us about roles of the printed yiddish word in ashkenazi society contents and forms of books their contextual framework within ashkenazi culture the world of yiddish book producers on the one hand and the envisaged readership on the other

uncle tom s cabin continues to provoke impassioned discussions among scholars to serve as the inspiration for theater film and dance and to be the locus of much heated debate surrounding race relations in the united states it is also one of the most remarkable print based texts in u s publishing history and yet until now no book length study has traced the tumultuous publishing history of this most famous of antislavery novels among the major issues claire parfait addresses in

her detailed account are the conditions of female authorship the structures of copyright author publisher relations agency and literary economics to follow the trail of the book over 150 years is to track the course of american culture and to read the various editions is to gain insight into the most basic structures formations and formulations of literary culture during the period parfait interrelates the cultural status of this still controversial novel with its publishing history and thus also chronicles the changing mood and mores of the nation during the past century and a half scholars of stowe of american literature and culture and of publishing history will find this impressive and compelling work invaluable
