written from a zambian perspective this leading study shows how the british colony of northern rhodesia later zambia organized and deployed human military and natural resources during and after the second world war the second world war brought unprecedented pressures to bear on britain s empire which then included colonial northern rhodesia through new archival materials and oral histories war and society in colonial zambia tells from an african perspective the story of how the colony organized its human and natural resources on behalf of the imperial government alfred tembo first examines government propaganda and recruitment of personnel for the northern rhodesia regiment which served in east africa palestine ceylon burma and india later zambia s economic contribution to the allied war effort would foreground the central importance of the colony s mining industry as well as its role as supplier of rubber and beeswax following the fall of the southeast asian colonies to the japanese in early 1942 finally tembo presents archival and oral evidence about life on the home front including the social impact of wartime commodity shortages difficulties posed by incoming polish refugees and the more interventionist forms of colonial governance that these circumstances engendered

the existing scholarly literature on democratization has found that transitions initiated by nonviolent resistance tend to be more likely to lead to democracy a critically important finding in a time when democracy may be backsliding around the world but there are many prominent exceptions to that trend so why do some nonviolent transitions end in democracy and others do not this book is the first to systematically examine transitions initiated by nonviolent resistance in the book the author argues that two key challenges maintaining high levels of social mobilization and directing that mobilization away from revolutionary maximalist goals and tactics towards supporting new institutions are the key factors

explaining when democracy will follow nonviolent resistance campaigns it tests the theory using a global statistical analysis of all political transitions and three case studies from nepal zambia and brazil

the first major study of its kind this book shows from a zambian perspective how northern rhodesia then a british colony organized and deployed human military and natural resources during the second world war new research and oral histories further demonstrate the war s social and industrial impact on zambia in the immediate postwar period

extrait de la préface this book represents stage one of the research into what constitutes the justice delivery system in zambia the study focussed on finding out what the structures of justice delivery are their capacity to deliver justice and the impact of poverty on the system s capacity to deliver justice the study was also interested in the accessibility of the justice delivery system to the people especially women the study wanted to find out the impact of poverty on women and men s access to justice the study revealed that the justice delivery system is wide and delivery system is wide and includes not just the formal courts but other agencies like churches ngos and chiefs and headmen s courts the police through the victim support unit resolve problems faced especially by women and children thus relieving pressure on the formal court structures
