complete annotated english translation of chinese version of the bhik u vibha ga

after 50 years of deep involvement with the british manufacturing industry during a time in which that industry lost half its volume to foreign manufacturers has left the author convinced that much could have been saved by systematically unpicking and reknitting under the direction of innovative managers those pressures which caused the abandonment of many manufacturing enterprises which could have been recreated are described in the book the result of allowing the best to drive out the good might have left us with the best industries but undoubtedly many good industries which could have been saved were lost in the process the book is a plea for more careful examination by skilled

innovative and experienced managers of any industry or manufacturing centre which is about to be abandoned to try to find ways to save at least part of the enterprise

most new or alternative religious are gravely misunderstood by members of the religious mainstream labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream this set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in american society and it addresses ways of understanding new and alternative religions within a broader context determining what actually constitutes a new or alternative religion is a subject of constant debate questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture how a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs readers will come away with a fuller understanding of the religious landscape in america today volume 1 history and controversies discusses the foundations of new and alternative religions in the united states and addresses the controversies that surround them this volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved volume 2 jewish and christian traditions explores the various new religions that have grown out of these two abrahamic faiths groups such as the shakers the people s temple the branch davidiants jehovah s witnesses and others are examined volume 3 metaphysical new age and neopagan movements looks at shamanism spiritualism wicca and paganism among other movements as they have developed and grown in the u s these faiths have found new and devoted followers yet are often misunderstood volume 4 asian traditions focuses on

those new and alternative religions that have been inspired by asian religious traditions from baha i to soka gakkai from adidam to the vedanta society contributors look at a full range of groups practicing and worshiping in the u s today volume 5 african diaspora traditions and other american innovations examines the various traditions linked to the african diaspora such as rastafarianism santeria and the nation of islam alongside traditions that are truly american incarnations like scientology ufo religions and heaven s gate some of the new and alternative religions covered in these pages include shamanism wicca black israelites santeria scientology elan vital hare krishna soka gakkai and many more
