this guide to Spanish film documents the film industry's interpretation of the isolating effects of the cultural traditionalism of the early twentieth century to the expanding international popularity of such films as *Trueba's Belle Époque* *Aranda's Amantes* and *Bigas Luna's Jamón Jamón* and such actors as Victoria Abril Carmen Maura and Antonio Banderas this is the first volume in a new Greenwood series that discusses historically and critically films directors and actors in film industries throughout the world each volume will include a detailed historical introduction and will provide an in depth treatment of the most important films and individuals involved in the industry end of entry bibliographies provide sources for further reading and appendixes provide additional useful information the guides will be valuable to scholars students and film buffs Spanish cinema is in many ways a microcosm of the tensions and conflicts that have shaped the evolution of the nation over the course of this century Spanish film as a cultural institution is rarely divorced from the political and

social currents that have shaped the larger spanish culture torn as it was between tendencies of localism and internationalism it languished in industrial and artistic underdevelopment for many years under franco it is now however experiencing international recognition while remaining rooted in the specificity of its own popular cultural styles

this volume is the first english language collection exclusively dedicated to the study of genre in relation to spanish cinema providing a variety of critical perspectives the collection gives the reader a thorough account of the relationship between spanish cinema and genre drawing on case studies of several of the most remarkable spanish films in recent years the book analyzes the significant changes in the aesthetics production and reception of spanish film from 1990 onwards it brings together european and north american scholars to establish a critical dialogue on the topics under discussion while providing multiple perspectives on the concepts of national cinemas and genre theory in recent years film scholarship has attempted to negotiate the tension between the nationally specific and the internationally ubiquitous discussing how globalisation has influenced film making and surrounding cultural practice these broader social concerns have prompted scholars to emphasize a redefinition of national cinemas beyond strict national boundaries and to pay attention to the transnational character of any national site of film production and reception this collection provides a thorough investigation of contemporary spanish cinema within a transnational framework by positing cinematic genres as the meeting spaces between a variety of diverse forces that necessarily operate within but also across territorial spaces paying close attention to the specifics of the spanish cinematic and social panorama the essays investigate the transnational economic cultural and aesthetic forces at play in shaping spanish film genres today

an examination of cinematic versions of post civil war narratives that had their debut during three key decades of spanish cinema 1965 1995 the study begins with an overview of the critical problems of screen adaptation and offers a global analysis that examines film adaptations of works by 57 authors these include classics of 20th century spanish literature by authors such as camilo jose cela miguel delibes and luis martin santos works by more recent best selling authors antonio munoz molina arturo perez reverte and juan madrid and many others directors like vicente aranda victor erice mario camus and pilar miro show how literary material can be transformed into superb cinema

isolated by the repressions and censorship of franco s regime spanish cinema developed distinctive style and content from the 1930s to the 1970s largely without reference to its international counterparts through a series of close readings of films made in the republican

period under franco and more recently under socialism contributors here seek to present a clearer picture of spanish national cinema

using accounts of films film magazines and documents not readily available to an english speaking audience as well as case studies focusing on key issues this volume explores the complex and changing relationship between cinema and spanish national identity

the past four decades have seen the spanish film industry rise from isolation in the 1970s to international recognition within european and world cinema today exploring the cultural and political imperatives that governed this success this book shows how spanish film culture was deliberately and strategically shaped into its current form
