this book provides a mainstream selection of cases on tort together with statutes linked by commentary the commentary places the extracts in context and points to other cases for contrast and comparison

using extensive and novel new research this book explores one of the long standing challenges in legal education the prospects for bringing legal theory into the training of future lawyers

if a civic education is the essential foundation for a functioning discursive democracy how should it be taught this book offers an innovative solution arguing that far from abandoning the often grand promise of civic education as a means of cultivating reasoning skills and democratic character we should embrace it and proposes a reimagined civic education based on teaching students in primary and secondary school law and legal reasoning drawing on a range of theoretical disciplines law philosophy ethics sociology psychology and moral educational and child development theory this monograph justifies the benefits of law learning as a form of

character and civic education and offers historical and comparative educational examples to show what is possible it demonstrates how legal teaching can be incorporated into a k 12 curriculum and argues that such training can be transformative guiding students to become citizens capable of meeting the demands of democracy citizens with stronger reasoning skills a motivation to self examine their values and beliefs and bring them into conversation with social values and an ability to effectively navigate political institutions and participate in public discourse this compelling and deeply original work will be of interest to scholars and educators in the fields of civic education character and virtue education legal studies and philosophy of education

the law of obligations concerns the legal rights and duties owed between people three primary categories make up the common law of obligations tort contract and unjust enrichment this coursebook provides an introduction to tort law the law that recognises and responds to civil wrongdoing the material is arranged in two parts part i addresses intentional torts as well as the overarching theories and goals of tort law part ii addresses the law of negligence nuisance and strict liability editor s note
