dealing with each section of the canon this book explains standard questions paying special attention to where scholars agree and where they don t

aiming to provide a concise account of the hebrew bible this text gives a brief account of the place of the hebrew scriptures in jewish life and thought from the early rabbinic period to the present day this is followed by an outline of each of the 36 books of the jewish canon and a brief presentation of their contents illustrated by quotations from scripture the presentation follows the actual structure of the book

discover the historical and social context of one of the most influential works ever written with this authoritative new resource the newly revised second edition of the hebrew bible a contemporary introduction to the christian old testament and jewish tanakh delivers a brief and up to date introduction to the hebrew bible old testament in the broader context of world history its treatment of the formation of the bible amidst different historical periods allows readers to understand the biblical texts in context it also introduces readers to scholarly methods used to explore the formation of the hebrew bible and its later interpretation by jews and christians written by a leading scholar in the field this new edition incorporates the most recent

research on the archaeology and history of early israel the formation of the pentateuch and the development of the historical and poetic books students will benefit from the inclusion of study questions in each chapter focus texts from the bible that illustrate major points timelines illustrations photographs and a glossary to help them retain knowledge the book also includes a deepened and up to date focus on recent methods of biblical study including trauma studies african american womanist and ecocritical approaches to the bible an orientation to multiple bibles translations and digital resources for study of the bible an exploration of the emergence of ancient israel its first oral traditions and its earliest writings discussions of how major features of the bible reflect communal experiences of trauma and resilience as israel survived under successive empires of the ancient near east fuller treatment of the final formation of biblical books in early judaism including coverage of diverse early jewish texts e g ben sira enoch judith that were revered as scripture before there were more clearly defined jewish and christian bibles designed for students of seminary courses and undergraduate students taking an introduction to the hebrew bible old testament this second edition of the hebrew bible also will interest general readers with interest in the formation of the bible

this handbook provides an important resource for the serious study of the writings of the hebrew bible it addresses historical and literary contexts as well as its roles as scripture and canon in judaism and christianity the volume provides creative presentations of the messages and import of the books and the canonical division as a whole

a general introduction to mainstream critical study of the hebrew bible

this is a general interest introduction to the old testament from many disciplines there are 23 essays with 23 individual reference lists

in his new book bible scholar and teacher marc brettler argues that today s contemporary readers can only understand the ancient hebrew scripture by knowing more about the culture that produced it and so brettler unpacks the literary conventions ideological assumptions and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature although the emphasis of how to read the jewish bible is on showing contemporary jews as well as christians how they can relate to the bible in a more meaningful way readers at any level of religious faith can benefit greatly from this comprehensive but remarkably clear guide to interpreting the jewish bible

john j collins s a short introduction to the hebrew bible is one of the most popular introductory textbooks in colleges and seminary classrooms enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the bible or faith commitments this more compact version of collins s renowned introduction to the hebrew bible is combined with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading collins proceeds through the canon of the old testament and the apocrypha judiciously presenting the current state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world the fourth edition is supplemented in areas that go beyond historical criticism and answer questions crucial for students today john j collins discusses the issues that arise when studying the hebrew bible that aren t always addressed in introductory textbooks the issues discussed include gender patriarchy social justice violence race and ethnicity environment salvation and death the messiah and colonialism in addition to the new essays john j collins has updated bibliographies to include the most recent scholarship that students and professors need to know

understanding the hebrew bible a guide for the perplexed is written clearly and jargon free and provides an orientation to the vast compendium of biblical materials by explaining the different kinds of writing found in the bible including storytelling law history prophecy wisdom and poetry each section is informed by current biblical scholarship but presented in a manner accessible to a general audience unlike other introductions that focus entirely on biblical history and its historical context this book surveys the full range of biblical writing a preface establishes a conceptual model for understanding the bible and explores the differences between the traditional jewish and christian readings of this scripture readers will discover in this book a concise useful companion to the book of books

in april of 2001 the headline in the los angeles times read doubting the story of the exodus it covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of passover in it he said the truth is that virtually every modern archeologist who has investigated the story of the exodus with very few exceptions agrees that the way the bible describes the exodus is not the way it happened if it happened at all this seeming challenge to the biblical story captivated the local public yet as the rabbi himself acknowledged his sermon contained nothing new the theories that he described had been common knowledge among biblical scholars for over thirty years though few people outside of the profession know their relevance new understandings concerning the bible have not filtered down beyond specialists in university settings there is a need to communicate this research to a wider public of students and educated readers outside of the academy this volume seeks to meet this need with accessible and engaging chapters describing how archeology theology ancient studies literary studies feminist studies and other disciplines now understand the bible

this book is an abridgment edition of introduction to the hebrew bible with cd rom published by fortress press in 2004 preface

introduction to the hebrew bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike the text is aimed explicitly at motivated students regardless of their previous exposure to the bible or faith commitments collins proceeds through the canon of the old testament and the apocrypha judiciously presenting the current state of historical archaeological and literary understanding of the biblical text and engaging the student in questions of significance and interpretation for the contemporary world the revised second edition is now presented in a refreshing new format

writing from a jewish perspective jon levenson reviews many often neglected theoretical questions he focuses on the relationship between two interpretive communities the community of scholars who are committed to the historical critical method of biblical interpretation and the community responsible for the canonization and preservation of the bible

john j collins s introduction to the hebrew bible is one of the most popular introductory textbooks in colleges and seminary classrooms enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the bible or faith commitments the third edition is presented in a new and engaging format with new maps and images an index has been added to the volume for the first time in order to enhance classroom use collins s major text has now been divided into four volumes one for each major part of the hebrew bible this volume focuses on the deuteronomistic history here collins explores the books of joshua through 2 kings the main account of israel s history the volume also contains the introduction to collins s major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for

the contemporary world

a landmark event the complete hebrew bible in the award winning translation that delivers the stunning literary power of the original a masterpiece of deep learning and fine sensibility robert alter s translation of the hebrew bible now complete reanimates one of the formative works of our culture capturing its brilliantly compact poetry and finely wrought purposeful prose alter renews the old testament as a source of literary power and spiritual inspiration from the family frictions of genesis and king david s flawed humanity to the serene wisdom of psalms and job s incendiary questioning of god s ways these magnificent works of world literature resonate with a startling immediacy featuring alter s generous commentary which quietly alerts readers to the literary and historical dimensions of the text this is the definitive edition of the hebrew bible

an engaging introduction showing how the hebrew bible forms faith then and now

this text is designed to teach students how to read the hebrew bible and how to go about mining the biblical text for literary historical and thematic meaning this book is accompanied by a cd rom that includes the entire text of the bible the entire text of the book and an interactive study guide the author demonstrates how a knowledge of ancient culture religion and history is essential for correctly interpreting biblical texts while history archaeology and extra biblical documents are heavily utilized they are presented only as they apply directly to specific biblical texts the book actively applies recent literary rhetorical and structural studies that shed light on art design coherence characterization theme and other literary features of the hebrew bible

marvin sweeney finds holocaust theology an indispensable resource as he examines often ignored biblical texts where ancient israel contemplated apparent divine absence and divine evil in the stories of abraham moes esther job kings prophets and others sweeney discerns the insight that human beings cannot always depend upon god to act to ensure righteousness in the world the insistence by holocaust theologians that human beings are responsible for doing justice in the world is powerfully present already in the bible itself book jacket

this compact version of john j collins s renowned textbook is combined with student friendly features the 4th edition is supplemented in areas that go beyond historical criticism and answer questions crucial for students today including patriarchy environment and race

diverse approaches to biblical theology this volume presents a collection of studies on the methodology for conceiving the theological interpretation of the hebrew bible among jews and christians as well as the treatment of key issues such as creation the land of israel and divine absence contributors include georg fischer sj david frankel benjamin j m johnson soo j kim wonil kim jacqueline e lapsley julia m o brien dalit rom shiloni marvin a sweeney and andrea l weiss features examination of metaphor repentance and shame in the presence of god ten essays addressing the nature of biblical theology from a jewish christian or critical perspective discussion of the changes that have taken place in the field of biblical theology since world war ii
