christians in general and preachers of prophecy in particular attribute the fulfillment of hundreds of old testament messianic prophecies to jesus of nazareth often these claims arise in the uncritical environment of christian churches or popular literature that is treating messianic prophecy people with critical thinking abilities and those endowed with a skeptical nature often have key questions that remain unaddressed in such environments these thinkers and skeptics are the people that will be most interested in this work the primary question addressed is this do critically acceptable historical evidential reasons exist for believing that jesus christ is the direct fulfillment of some specific old testament messianic texts approaching this question within a framework that eliminates any possibility of staged prophetic fulfillment and those that may occur by mere chance or collusion produces results that must be taken seriously even with these strict criteria jesus emerges as the only viable candidate to fulfill some of the prophecies included in this study for other prophetic texts the evidence is not as abundant or convincing however even these texts yield several minimal facts that directly impinge on new testament claims about jesus

a legacy of preaching volume two enlightenment to the present day explores the history and development of preaching through a biographical and theological examination of its most important preachers instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching this diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years by looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today volume two covers the period from the enlightenment to the present day and profiles thirty one preachers including charles simeon by darrell young robert murray m cheyne by jordan mark stone alexander maclaren by r scott pace catherine booth by roger j green charles haddon spurgeon by thomas j nettles rodney gipsy smith by bill curtis george liele by terriel byrd charles finney by robert w caldwell iii john jasper by alfonza w fulwood and robert smith jr henry ward beecher by michael duduit john albert broadus by hershael w york phillips brooks by charles w fuller d l moody by gregg l quiggle b h carroll by robert matz and jerry sutton billy sunday by kristopher k barnett karl barth by william h willimon dietrich bonhoeffer by keith w clements d martyn lloyd jones by carl trueman john stott by greg r scharf harry emerson fosdick by dwayne milioni r g lee by charles a fowler aimee semple mcpherson by aaron friesen w a criswell by david l allen gardner c taylor by alfonza w fulwood and robert smith jr billy graham by john n akers martin luther king jr by alfonza w fulwood dennis r mcdonald and anil sook deo adrian rogers by daniel l akin and bill curtis e v hill by dante d wright i jerry falwell by edward e hindson j i packer by leland ryken and benjamin hernández volume one available separately covers the period from the apostles to the puritans and profiles thirty preachers including paul origen of alexandria augustine of hippo francis of assisi martin luther jonathan edwards john wesley george whitefield and more

from the middle eastern politics of donald trump to the uk s 2016 eu referendum large numbers of christians are making decisions based on the alleged end times aspects of modern politics such apocalyptic views often operate beneath the radar of much christian thought and expression in this book historian martyn whittock argues that while the new testament does indeed teach the second coming of christ complications occur when christians seek to confidently identify contemporary events as fulfilments of prophecy such believers are usually unaware that they stand in a long line of such well intended but failed predictions in this book whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of scripture when christians ignore such past mistakes they are in danger of repeating them jesus whittock argues

taught a different way

no matter what you may be facing god is there to help you this message resonates throughout this encouraging resource from respected author and bible teacher ed hindson in an inspiring new chapter about his recent personal illness and brush with death hindson compassionately communicates how god's grace does not keep us from hardships but helps us through our tough times as readers struggling with rejection guilt fear depression temptation disappointment and more realize that god is always near they will begin to face crises with confidence turn problems into opportunities conquer anxiety stress and feelings of failure set realistic goals for change rest in god's strength in every situation a strong biblical resource that offers a new outlook on life's disappointments and hurts includes a special reference guide that looks at key difficulties people face and the bible's answers to those problems rerelease of god is there in tough times

the identity of the antichrist is a topic of hot debate today adding fuel to the flame of rampant speculation are voices saying the antichrist might be a muslim or a jew a view that respected bible scholar and bestselling author ron rhodes argues against in this revealing scripture based exploration of what god's word does and does not tell us about the antichrist the advance signs power moves and eventual fall of this person the mysterious gog leader of northern military coalition mentioned in ezekiel it is time for a trustworthy study of this topic to take the place of emotion based suspicions believers followers of end times news and anyone anxiously watching the turmoil of today's political landscape will be thankful for this thorough straightforward resource excellent for church and personal libraries

the book of revelation is the most fascinating book ever written it claims to be a vision of the end of the world the reader is swept up into another time and another place as the panorama of the future unfolds before us this final book of the biblical record is the capstone of divine revelation in it god reveals the great end times drama that leads to armageddon and beyond

the perfect combination of scholarship and accessible presentation for christians who desire to know how to better understand and defend their faith bestselling authors ed hindson and ergun caner have brought together a who's who of apologetic experts including lee strobels norm geisler josh mcdowell and john ankerberg to produce a resource that's both easy to understand and comprehensive in scope every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns including issues concerning god christ and the bible scientific and historical controversies ethical matters genetic engineering homosexuality ecology feminism a christian response to world religions and cults a christian response to the major worldviews and philosophies of our day included with each entry are practical applications for approaching or defending the issue at hand along with recommendations for additional reading on the subject

will the human race survive in the future everyone is curious about the future there is something in human nature that wants to know what is going to happen next god speaks to the need in our lives by revealing the future before it happens that process is called a prophecy of future events this book is a study of the prophecies in the book of revelation the book of revelation is the grand and noble conclusion to the bible it captivates our attention stirs our imagination and points us to our glorious future destiny it shows the living relationship between the risen christ and his bride the church it also records the final days of this world and reveals the glorious new world yet to come the book of revelation gives us hope for the future when god will make all things new rev 21:5 dr hindson simplifies the message of the revelation so that you can easily understand it for yourself he surveys the general content of this captivating book of prophecy with a view to keeping the big picture in mind rather than getting lost in all the details his approach is to keep the study focused on the key issues in each chapter the book of revelation has been called the epilogue of the unfolding drama of redemption it's god's road map to help us understand where human history is going in the biblical record human history begins in a garden and ends in the eternal city it begins with tragedy and ends with triumph it begins with man's failure and ends with his exaltation in between there stands a cross and on that cross jesus christ changed the course of human history forever the

message of the bible represents the timeless truth of god as each generation seeks to apply that truth to its specific context it becomes necessary for an up to date commentary to be created just for them the editors and authors of the twenty first century biblical commentary have endeavored to do just that they represent conservative evangelical and dispensational scholarship at its best
