catalogs some 2700 alabama communities ranging from abanda in chambers county to zip city in lauderdale county

this first book length examination of the klan in alabama represents exhaustive research that challenges traditional interpretations the ku klux klan has wielded considerable power both as a terrorist group and as a political force usually viewed as appearing in distinct incarnations the klans of the 20th century are now shown by glenn feldman to have a greater degree of continuity than has been previously suspected victims of klan terrorism continued to be aliens foreigners or outsiders in alabama the freed slave during reconstruction the 1920s catholic or jew the 1930s labor organizer or communist and the returning black veteran of world war ii were all considered a threat to the dominant white culture feldman offers new insights into this qualified continuity among klans of different eras showing that the group remained active during the 1930s and 1940s when it was presumed dormant with elements of the reconstruction syndrome carrying over to the smaller klan of the civil rights era in addition feldman takes a critical look at opposition to klan activities by southern elites he particularly shows how opponents during the great depression and war years saw the klan as an impediment to attracting outside capital and federal relief or as a magnet for federal action that would jeopardize traditional forms of racial and social control other critics voiced concerns about negative national publicity and others deplored the violence and terrorism this in depth examination of the klan in a single state which features rare photographs provides a means of understanding the order s

development throughout the south feldman s book represents definitive research into the history of the klan and makes a major contribution to our understanding of both that organization and the history of alabama

this supplemental volume expands upon the seven volume edition of constitutional documents of the united states of america 1776 1860 which was published from 2006 to 2009 it contains 14 constitutional documents from 8 different u s states which were recently made accessible for the first time in american libraries and archives among the documents in the collection are the constitution of the short lived republic of indian stream which succeeded from new hampshire from 1832 to 1835 as well as rare constitutional documents from new mexico and texas written in both spanish and english the texts have been edited annotated and indexed on the basis of the original manuscripts and in certain cases rare original prints produced by the official state or constitutional convention printing presses

this ambitious work chronicles 250 years of the cromartie family genealogical history included in the index of nearly 50 000 names are the current generations and all of those preceding which trace ancestry to our family patriarch william cromartie who was born in 1731 in orkney scotland and his second wife ruhamah doane who was born in 1745 arriving in america in 1758 william cromartie settled and developed a plantation on south river a tributary of the cape fear near wilmington north carolina on april 2 1766 william married ruhamah doane a fifth generation descendant of a mayflower passenger to plymouth stephen hopkins if cromartie is your last name or that of one of your blood relatives it is almost certain that you can trace your ancestry to one of the thirteen children of william cromartie his first wife and ruhamah doane who became the founding ancestors of our cromartie family in america william jr james thankful elizabeth hannah ruhamah alexander john margaret nancy mary catherine jean peter patrick and ann e cromartie these four volumes hold an account of the descent of each of these first generation cromarties in america including personal antidotes photographs copies of family bibles wills and other historical documents their pages hold a personal record of our ancestors and where you belong in the cromartie family tree
